OSBORNE DOWNS

Buyer's Guide to the Piano, Organ and General Music Trades

Routledge

Continuing the incredible popularity of Alfred's Basic Adult Piano Course, this new book adapts the same friendly and informative style for adults who wish to teach themselves. With the study guide pages that have been added to introduce the music, it's almost like having a piano teacher beside you as you learn the skills needed to perform popular and familiar music. There are also five bonus pieces: At Last * Have Yourself a Merry Little Christmas * Laura *

Over the Rainbow * Singin' in the Rain. Included is a recording containing the piano part and an engaging arrangement for each of the 65 musical examples. 192 pages. *Creative Chords* Routledge Nature's Covenant, a reading of John Ruskin, including his neglected poems and early prose writings, brings forth a fresh awareness of his career as an interpreter of landscape, where landscape is conceived as a filter of human meaning, of aesthetic and theological significance. The book shows the correlation in Ruskin's work between the Reformed theology of his religious tradition and the Romantic poetics of literature that he sought to practice. It

reconstructs the particular hermeneutic of landscape that Ruskin developed, a vision of the natural world that depended equally upon the Romantic/evangelical renovation of heart and eye and a remarkable articulation of the typology of nature. Ruskin's own theôria, or contemplation of nature's text, the full-scale development of which takes place in *Modern Painters II*, is revealed and explored, inviting renewed understanding of works both early and late, especially of certain key chapters of such often neglected works as "The Requiem" of St. Mark's Rest or the "Revision" of Deucalion. Finley shifts the emphasis away from the secularized readings of this

century to recover lost religious meanings in Ruskin's critical writing, including his unpublished sermons. No previous modern study has focused on Ruskin's religious upbringings and its influence on his mature writings while countering the critical received orthodoxy about his faith, his "unconversion," and inevitable secularization often retold as part of the narrative of modernism, which proclaimed the necessary supersession of Victorian superstition by modern enlightenment. Because of its commitment to a reading of Ruskin's religious sense in light of his romantic inheritance, Nature's

Covenant is also a book about Victorian romanticism, sharing in the current reevaluation of Wordsworth's later career, and in the renewed scholarly attention to Sir Walter Scott.

The Art of Teaching, and the Teaching of Music: Being the Teacher's Manual of the Tonic Sol-fa Method Oxford University Press Based on the story of King David, traces his journey from an obscure shepherd to a hero and king before his fall.

The Old Lady Trill, the Victory Yell Alfred Music

All four books in 'Forgotten Legacies', a series of epic fantasy novels by KJ Simmill, now in one volume! Darrienia: It is said that the past always returns

to haunt you, yet some forgotten pasts have whispered names and a debt for collection. Dangerous curiosities stir a hidden darkness, one that patiently waits to seize control. The subtle periphery between dream and reality is in peril, and those chosen must face the evil behind this looming disaster. But can would-be-heroes discover the truth in time, or will they become nothing more than pawns of evil? The Severaine: Across the countless span of time, a threat rises, heralding the end of man's rule and laying to waste those who defiled its mistress. It is known as the Severaine: a power that could bring even the Gods themselves to their knees. Our heroes had been

tasked to save the world, yet by their hand it was plunged into peril. But fate will not relinquish its hold on the ones who are chosen. Creatures once forced into slumber rise, their cries heralding a new dawn as the Severaine awakens. Its sole purpose is to purge and remake the world. Remedy: Before there were legends, there was war. Before fables became twisted truth and distorted tales. Now, whispers from an ancient realm threaten the peace, drawing a lone adventurer into The Depths of Acheron. He seeks something from within this sealed domain, and those banished want something in return. Something belonging to them. The time has come for the forgotten

to be unveiled, and for the sealed to be unbound. Only then will the world know true fear. The Dream Walker: All which had come to pass had led to this. Prophecies and events, manipulated through shadows, had paved the way for his return. Sacrifices bled, gateways opened, and now The Father of Nightmares was free at last. This time there would be no mistakes; no force with the power required to stand against him. The Mystics thought by sealing him within The Forest of The Epiales, they had weakened him, but instead they had given him the key to victory. Now, all must unite to prevent the darkness which is to come. Should they fail, should darkness fall and unleash its

ancient gaolers, then all hope will be lost.

From the legendary cofounder of Tibet's nineteenth-century nonsectarian movement, an encyclopedic survey of the practice of Chod, or severance, a tantric ritual based on the crucial Mahayana sutras to sever clinging to an ego and thereby achieve realization.

The Treasury of Precious Instructions by Jamgön Kongtrul

Lodrö Taye, one of Tibet's greatest Buddhist masters, is a shining jewel of Tibetan literature, presenting essential teachings from the entire spectrum of practice lineages that existed in Tibet. In its eighteen volumes, Kongtrul brings together some of the most important texts on key topics of Buddhist thought and practice as well as authoring significant new sections of his own. In this, the fourteenth volume, Kongtrul compiles the teachings on Severance, or Chöd. It includes some of the tradition's earliest source scriptures, such as the "grand poem" of Āryadeva, and numerous texts by the tradition's renowned founder, Machik

Labdrön. Kongtrul also brings together the most significant texts on the rites of initiation, empowerments for practice, and wide-ranging instructions and guides for the support of practitioners. Altogether, this quintessential guide to Severance offers vast resources for scholars and practitioners alike to better understand this unique and remarkable tradition—the way of severing the ego through the profound realization of emptiness and compassion. *Teachings from the Mystery School, the Healing Power of Angels* Shambhala Publications
Designed for both the practicing choral

director and the choral methods student, this is a compact and comprehensive overview of the many teaching methods, strategies, materials, and assessments available for choral sight-singing instruction. Sight-singing is an important, if sometimes neglected, facet of choral music education that often inspires fear and uncertainty in student and teacher alike. Written in an accessible style, this book takes the mystery out of teaching music reading. Topics covered include the history of sight-singing pedagogy and research, prominent methods and materials, and practical strategies for teaching and assessment. This is the only book to

provide such a wealth of information under one cover and will become an essential part of every choral conductor's library.

The Musician Alfred Music Publishing Professional Piano Teaching offers a practical guide to the art of piano teaching. Volume 1, now available as an updated second edition, is an excellent introduction to the profession of teaching piano. This revised second edition has been expanded to include chapters on teaching adult students and teaching popular, sacred, and other familiar music. Designed to serve as a basic text for a first-semester or lower-division piano pedagogy course, it provides an overview

of learning principles and a thorough approach to essential aspects of teaching elementary-level students. Special features include discussions on how to teach, not just what to teach; numerous musical examples; chapter summaries; and suggested projects for new and experienced teachers. Topics: * The Art of Professional Piano Teaching * Principles of Learning * Beginning Methods * Teaching Beginners and Elementary Students * Teaching Rhythm and Reading * Teaching Technique and Musical Sound Development * Elementary Performance and Study Repertoire * Developing Musicality in Elementary Students * Group Teaching *

Mystic Chords of
Memory "Illustrated
with hundreds of well-
chosen anecdotes and
minute observations . .
. . Kammen is a demon
researcher who seems
to have mined his
nuggets from the

entire corpus of American cultural history . . . insightful and sardonic."

—Washington Post
 Book World In this ground-breaking, panoramic work of American cultural history, the Pulitzer Prize-winning author of *A Machine That Would Go of Itself* examines a central paradox of our national identity How did "the land of the future" acquire a past? And to what extent has our collective memory of that past—as embodied in our traditions—have been distorted, or even manufactured? Ranging from John Adams to Ronald Reagan, from the origins of Independence Day celebrations to the controversies surrounding the

Vietnam War Memorial, from the Daughters of the American Revolution to immigrant associations, and filled with incisive analyses of such phenonema as Americana and its collectors, "historic" villages and Disneyland, *Mystic Chords of Memory* is a brilliant, immensely readable, and enormously important book. "Fascinating . . . a subtle and teeming narrative . . . masterly." —Time "This is a big, ambitious book, and Kammen pulls it off admirably. . . . [He] brings a prodigious mind and much scholarly rigor to his task . . . an importnat book—and a revealing look at how Americans look at themselves."
 —Milwaukee Journal

Lost Chords A-R Editions, Inc. Applicable on a wide scale not only to this repertory, Harrison's lucid explications of abstract theoretical concepts provide new insights into the workings of tonal systems in general.

Alfred's Self-teaching Adult Piano Course

Oxford University Press Includes music. Lost Chords Indiana University Press »Resonant Alterities« bridges the gap between sound studies and literary criticism. A queer ghost story by Vernon Lee, an occultist novel of psychic adventure by Algernon Blackwood, a dystopian science fiction tale by J.G. Ballard and a post-traumatic short novel by Don DeLillo are its

primary objects of analysis. Each is explored within the context of its contemporary cultural debates on sound. Meanwhile, all four theory-enriched readings focus on intersecting and desire-laden processes of meaning making, knowledge production and subject formation. Focal points are aurally/audio-visually structured phenomena expressive of both collective and individual anxieties. The Etude Vintage Thinking as You Play focuses on how to teach, not what to teach. Sylvia Coats gives piano teachers tools to help students develop creativity and critical thinking, and guidelines for organizing the music taught into a

comprehensive curriculum. She suggests effective strategies for questioning and listening to students to help them think independently and improve their practice and performance. She also discusses practical means to develop an awareness of learning modalities and personality types. A unique top-down approach assists with presentations of musical concepts and principles, rather than a bottom-up approach of identifying facts before the reasons are known. Thinking as You Play is one of the few available resources for the teacher of group piano lessons. Ranging from children's small groups to larger university piano classes, Coats

discusses auditioning and grouping students, strategies for maximizing student productivity, and suggestions for involving each student in the learning process. Thinking as You Play Hymns Ancient and Modern Ltd
 Before there were legends, there was war. Before fables became twisted truth and distorted tales. Things deemed too dangerous were sealed, and bound for all eternity. Or so it was believed. Whispers from an ancient realm threaten the peace, drawing a lone adventurer into The Depths of Acheron. He seeks something from within this sealed domain, and those banished want something in return. Something belonging

to them. The time has come for the forgotten to be unveiled, and for the sealed to be unbound. Only then will the world know true fear. Arthur Sullivan is best known as W. S. Gilbert's collaborator in the Savoy Operas, However, Sullivan was far from being simply a composer of light operettas. At the height of his fame and popularity in late Victorian Britain, Sullivan was regarded as the nation's leading composer of sacred oratorios on a par with Mendelssohn and Brahms. Yet despite his contemporary popularity and enduring legacy, little attention has been given to Sullivan's sacred work. The last twenty years have

seen a considerable revival of interest in and critical appreciation for this aspect of Sullivan's work. *Lost Chords and Christian Soldiers* provides the first detailed, comprehensive, critical study and review of Sullivan's church and sacred music. As well as exploring issues of repertoire and ecclesiology involved in these and other formative influences and experiences, consideration will be given to how far Sullivan's own personal beliefs and faith influenced his settings of sacred texts and the extent to which his own spiritual and theological leaning are expressed in his choice of material and style of setting. Sullivan's motivation in setting

religious texts will be probed and comparison will be made with the motivation, output and approach of his closest contemporaries in this field, most notably Stainer.

Etude Music

Magazine University of Chicago Press

Is your heart burdened by loss, rejection, or even discouragement caused by other Christians or a church? If you wonder, "How can I trust God with my hurts?" Diana Savage invites you to renew your hope and start your emotional and spiritual healing in this year-long gathering of inspiring devotions and

words of encouragement. Your heart's deepest questions are met with hope- and humor-filled meditations and life illustrations. How can I restore the joy of my faith when life is challenging? How do I heal and forgive if I've been let down by believers? Is comfort in God possible when I feel distant from him? Whether you or someone in your life faces sadness, uncertainty, or discontentment⁵² Heart-Lifters for Difficult Times offers words of encouragement to help

a heart in every season experience spiritual healing and feel safe in Jesus' love and care once again.

Amen Explained

The first history of keyboard improvisation in European music from the time of Beethoven through the later nineteenth century, Dana Gooley's *Free Play: Fantasies of Improvisation in Nineteenth-Century Music* describes the motives, intentions, and musical styles of the nineteenth century's leading improvisers, and traces the evolution of the performance practice into a glorified ideal.
