This book provides a varied collection of recent research relating to small businesses in tourism. In doing so it reflects the eclecticism of interest and method associated with this under-researched and under-theorised area of investigation. Topics range from the potential contribution of small firms to achieving social or economic goals to understanding more about business performance and growth. As is common in tourism research, disciplinary boundaries are routinely transgressed in the interests of gaining greater illumination. Insights from a variety of countries are offered, sometimes as a result of trans-national collaboration initiated specifically for this book.

A forbidden passion. A lifetime of consequences. Cressida Felbridge is living the high life as a debutante in 1960s London society when she is courted by a friend of her brother's and set to marry. Wishing only the best for his daughter, her father decrees that she must have her portrait painted to mark the occasion. But as soon as she meets the painter Ralph Few, Cressie knows her life will never be the same again. Soon, she is deeply in love with Ralph, but there is one problem: Ralph is still married to Catherine. As Cressie is drawn into a strange, triangular relationship, Catherine's behaviour becomes increasingly erratic and Ralph and Cressie escape to Cressie's family home in Cumbria. But Catherine will not give up Ralph that easily . . . In the present day, Emily Conway has everything she could wish for: a huge house in West London, two beautiful children and a successful husband, Will. But as Emily and Will drive to a party, Will reveals that he has been betrayed by his business partner. Steering the car off the road at high speed, their perfect life is abruptly ended. When she wakes from her injuries, Emily is told of a mysterious legacy: a house in Cumbria on the edge of an estate, left to her by a woman she has never met. Could this house provide the chance to start anew, or does it hold secrets that she must uncover before it can be at peace? The Snow Angel is a deliciously dark family saga from Lulu Taylor, the bestselling author of The Winter Folly.

Although steampunk has been around as a genre since the 1980s, it came into its own as a subculture and artistic movement in the mid-oughts of the twenty-first century. In these first issues of SteamPunk Magazine, some out of print for years, there are articles and interviews on music, fashion, politics, history, and mad science. Groundbreaking steampunk fiction and breathtaking illustration run beside bizarre philosophy and manifestos. Learn to etch copper, to build a pennyfakething from an old bike or a jacob's ladder from trash. Discover vertical windmills or sew a pair of spats. Here collected now are over 400 pages of awesome steampunkery. SteamPunk Magazine has always been known for keeping the punk in steampunk, for being willing to celebrate steampunk subculture as a part of the global counterculture. Includes contributions from Michael Moorcock, Alan Moore, Ann & Jeff Vandermeer, Jake von Slatt, and many more essential names in steampunk!	
<i>The Photographer František Drtíkol</i> Baker's Plays	
A black comedy by well-known novelist offers thoughts on the nature of illness, death, and reality.	

Rise of the Red Dragon (Tales of the Lorekeepers, Tome 1) Inst of Engineering & Technology

"Although the book covers many aspects of Drtíkol's career and life-work, it is mainly devoted to his photographs. 120 duotone and 8 colour full-page reproductions of Drtíkol's works from the Museum of Decorative Arts in Prague and a number of other public and private collections illustrate representative selections from all his creative periods, with an emphasis on Drtíkol's masterly nudes from the second half of the 1920s, when he moved gradually from his beginnings in pictorialism and symbolism to react in his highly individual way to current avant-garde trends. The text, supplemented with almost fifty other reproductions, analyzes and characterizes Drtíkol's photographs and locates them in the wider spiritual and artistic context of their time with the help of quotations from Drtíkol's notes and correspondence. The monograph also contains a complete exhibition history, bibliographic listing, and a number of little known works, some never before published."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. I've never been what I was supposed to be. Wealthy sons of Port Governors aren't supposed to be ejected from the British Navy after less than a year, they're not supposed to like pulp romances or daydream about the handsome heroes of the stories instead of the heroines. When my Father issued me an order to marry a woman, I knew I had no choice but to make my own way in the world, and I found a berth on the first ship out of Jamaica. I didn't mean to join a pirate ship, and I certainly didn't intend to find myself the cabin boy to an incredibly charming Pirate Captain. Or that I'd also be attracted to the mysterious First Mate, or that both of them would show me all sorts of unspeakable and salacious pleasures while on board. How can I choose just one of them when I want both?In addition to confusion on board the ship, there's also enchanting genderqueer merfolk, a cat which seems to understand a lot more than it should, an unseasonable storm and a sea witch with a serious grudge... and with all these complications, I am definitely in over my head.

-- Come and meet the crew: Gideon: an innocent with a lot of forbidden desires and a lot of love to give Tate: a huge, muscular ship's captain with a sweet side Ezra: a dominant and closed off first mate Ora: a genderqueer, curious and affectionate merman

Finally a social skills program that covers all the bases! Whether it's learning how long one can look at somebody without being accused of staring; how to shift topics, despite one's desire to stick with that all-consuming special interest; how to say no to peer pressure; or dealing with a sensitive topic - it's all here... and more. In this comprehensive and user friendly book, the author translates years of experience working with students wiht Asperger Syndrome and social-communication difficulties. After brief introductory chapters on skills to target, instructional strategies, behavior management, promoting generalization, etc., as well as a special chapter by Brenda Smith Myles on relevant characteristics of autism spectrum disorders, the reader is presented with the essence of this must-have resource: 70 of the skills that most commonly cause difficulty for individuals with autism spectrum disorders and social-communications problems. The presentation of each skill consists of a reproducible skill handout, as well as activity sheets listing ways teachers and parents can demonstrate, practice, and reinforce the skill in the classroom and at home. A concluding chapter on promoting peer acceptance offers sensitivity training programs for both students of various age groups and school staff, making this a complete social skills training package for students of all ages.

Manhattan Beach, 1957 Pan Macmillan

Arranged in chronological order, these pieces add up to nothing less than a full-scale history of the greatest tour band in the history of rock. From Tom Wolfe's account of the Dead's first performance as the Grateful Dead (at an Acid Test in 1965), to Ralph Gleason's 1967 interview with the 24-year-old Jerry Garcia, to Mary Eisenhart's obituary of the beloved leader of the band, these selections include not only outstanding writing on the band itself, but also superb pieces on music and pop culture generally. Fans will be fascinated by the poetry, fiction, drawings, and rare and revealing photographs featured in the book, as well as the anthology's many interviews and profiles, interpretations of lyrics, and concert and record reviews. Still, The Grateful Dead was more than a band--it was a cultural phenomenon. For three decades it remained on one unending tour, followed everywhere by a small army of nomadic fans. This phenomenon is both analyzed and celebrated here, in such pieces as Ed McClanahan's groundbreaking article in Playboy in 1972, fan-magazine editor Blair Jackson's 1990 essay on the seriousness of the drug situation at Dead concerts, and Steve Silberman's insightful essays on the music and its fans.

The diminutive Leon is the envy of all Paris when he becomes engaged to the successful stomatologist and ravishing 6ft beauty Solange, who leaves no man unstirred - including the priest who weds them. The dutiful husband happily ignores jealous remarks about the union of 'giraffe and zebra' as he sires one beautiful baby after another. But as his domestic bliss with Solange continues and their brood grows, Leon's body begins to shrink - with the exception of one vital

organ - until the medical marvel is scarcely taller than a thimble. Can Solange's love for her 'Little bighorn' survive his diminished status, the onslaught of suitors at her door and his nocturnal abseiling down her body? Will Leon escape the paws of the family cat and the murderous thoughts of his children embarrassed by their father's size?

"As befits a tribute to the golden age of Agatha Christie, Dorothy L. Sayers et. al., there are plot twists, plot turns and red herrings aplenty." —Time Out London Real-life British mystery writer Josephine Tey returns as a fictional sleuth in *Angel with Two Faces*—the second atmospheric mystery in Nicola Upson's wonderfully inventive series. In this riveting sequel to *Expert in Murder*, Tey, in league with intrepid policeman Detective Inspector Archie Penrose, is called upon to help unravel a dark and perplexing crime at a Cornwall country house and backstage at a local theater. Fans of P.D. James and of British noir in general will adore *Angel with Two Faces*—a traditional

mystery with a twist—and this writer whom Ms. James herself calls, "A new and assured talent."

Progressive Education, Commencing with the Infant London, R. Bentley and son

Sebastian Madinger, the Earl of Wriothesly, thought he'd married the perfect woman—until a fatal accident revealed her betrayal with his best friend. After their deaths, Sebastian is determined to avoid a scandal for the sake of his son. But his best friend's widow is just as determined to cast her mourning veil aside by hosting a party that will surely destroy both their reputations and expose all of his carefully kept secrets... Leah George has carried the painful knowledge of her husband's affair for almost a year. All she wants now is to enjoy her independence and make a new life for herself—even if that means being ostracized by the Society whose rules she was raised to obey. Now that the rumors are flying, there's only one thing left for Sebastian to do: silence the scandal by enticing the improper widow into becoming a proper wife. But when it comes to matters of the heart, neither Sebastian nor Leah is prepared for the passion they discover in each other's arms....
