****Catholic Social Teaching: Christian Life in Society** has been submitted to the Subcommittee on the Catechism, United States Conference of Catholic Bishops. Declarations of conformity with both the Catechism of the Catholic Church and Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age are pending. Catholic Social Teaching: Christian Life in Society This course will guide students in exploring and understanding the social teachings of the Church. It will address the major themes of Catholic social teaching and what they express about God's plan for all people and our obligations to care for one another, especially those most in need in society. The course will work to move students to a life of service and work for the Kingdom of God. The Living in Christ Series • Makes the most of the wisdom and experience of Catholic high school teachers as they empower and guide students to participate in their own learning. • Engages students' intellect and responds to their natural desire to know God. • Encourages faith in action through carefully-crafted learning objectives, lessons, activities, active learning, and summative projects that address multiple learning styles. What you will find . . . • Each Living in Christ student book is developed in line with the U.S. Bishops' High School Curriculum Framework and provides key doctrine essential to the course in a clear and accessible way, making it relevant to the students and how they live their lives. • Each Living in Christ teacher guide carefully crafts the lessons, based on the key principles of Understanding by Design, to guide the students' understanding of key concepts. • Living in Christ offers an innovative, online learning environment featuring flexible and customizable resources to enrich and empower the teacher to respond to the diverse learning needs of the students. • The Living in Christ series is available to you in traditional full-color text and in digital textbook format, offering you options to meet your preferences and needs.

United States History ASCD

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Prentice Hall United States History The New Press

Presents a multifaceted model of understanding, which is based on the premise that people can
