Spirit teachers explain the spiritual laws of money and offer advice on listening to one's inner guidance and draw money into one's life

Bridge of Light Independently Published
Real people, real transformations!

"Absolutely amazing! It completely shifts your paradigm for life. One of the most wonderful things about it is that the

results are immediate. My whole perception and relationship to money has undergone a major, substantial change." —Chris Attwood, writer and teacher, California "I've spent most of my life trying to figure out what's true and what's real. I have to say I now have a clear glimpse into what it really is." —Tom Hill, Colorado "Before Busting Loose from The Money Game, I was very unhappy and frustrated in my life. I was driven to find more ways to make money. I changed jobs, cities, countries, went back to school, read books. Financially, the stress was causing anxiety attacks and migraines so severe I stayed in bed. The joy I feel now is priceless. Money is there when I need it, in the amount that's needed, no matter what occurs (car repairs, unplanned trips, etc.). It's absolutely amazing!" —Suresh Thakoor, Texas "As a retired professor on a fixed and limited income, I always lived from a tight budget and felt compressed by it—especially at the end of the year. I don't use a budget anymore and have opened up new streams of income that were always closed to me in the past." —Howard Rovics, Connecticut "It opened a whole new dimension for me and shifted my perspective on life completely. I especially love how practical it is. The application is so simple, so effective . . . and fun!" —Doris Kahle, Hagen, Germany "I'd had a lot of success in the corporate arena, made a ridiculous amount of money and lost a ridiculous amount of money. But I was caught in a cycle of making it, losing it. I needed to break that cycle—for myself and my family—and this gave me the keys to do that. Busting Loose from The Money Game opened a window I had no clue even existed. This is very cutting-edge, a revolutionary approach to unwrapping yourself from limitations. If you're not satisfied with where you are financially and you're concerned about your future, get this book!" —Ben Coleman, Texas [The Organic Grow Book - English Edition](#) Reveal Press "An absorbing tale of contrasts...Cherian tells the story with quiet strength." —San Francisco Chronicle Handsome anesthesiologist Neel is sure he can resist his family's pleas that he marry a "good" Indian girl. With a girlfriend and a career

back in San Francisco, the last thing Neel needs is an arranged marriage. But that's precisely what he gets. His bride, Leila, a thirty-year-old teacher, comes with her own complications. They struggle to reconcile their own desires with others' expectations in this story of two people, two countries, and two ways of life that may be more compatible than they seem. *Créer sa fortune* Emnin Books In 1980, Michael Harner blazed the trail for the worldwide revival of shamanism with his seminal classic *The Way of the Shaman*. In this long-awaited sequel, he provides new evidence of the reality of heavens. Drawing from a lifetime of personal shamanic experiences and more than 2,500 reports of Westerners' experiences during shamanic ascension, Harner highlights the striking similarities between their discoveries, indicating that the heavens and spirits they've encountered do indeed exist. He also provides instructions on his innovative core-shamanism techniques, so that readers too can ascend to heavenly realms, seek spirit teachers, and return later at will for additional healing and advice. Written by the leading authority on shamanism, *Cave and Cosmos* is a must-read not only for those interested in shamanism, but also for those interested in spirituality, comparative religion, near-death experiences, healing, consciousness, anthropology, and the nature of reality. Praise for Michael Harner and *The Way of the Shaman* "What Yogananda did for Hinduism and D. T. Suzuki did for Zen, Michael Harner has done for shamanism—namely, bring the tradition and its richness to Western awareness." —from *Higher Wisdom*, by Roger Walsh and Charles S. Grob "Wonderful, fascinating.... Harner really knows what he's talking about." —Carlos Castaneda, best-selling author of *The Teachings of Don Juan* and *The Active Side of Infinity* "An intimate and practical guide to the art of shamanic healing and the technology of the sacred. Michael Harner is not just an anthropologist who has studied shamanism; he is an authentic white shaman." —Stanislav Grof, author of *The Adventure of Self-Discovery* "Harner has impeccable credentials, both as an

academic and as a practicing shaman. Without doubt (since the recent death of Mircea Eliade) the world's leading authority on shamanism." —Nevill Drury, author of *The Elements of Shamanism* "Michael Harner is a great shaman. He also proves that a person can be both a scientist and a shaman." —Bo Bair Rinchinov, Siberian Buryat shaman [Where the Crawdads Sing \(Movie Tie-In\)](#) Light Technology Publishing

Vous n'avez pas autant d'argent que vous le souhaitez ? Vous en avez, mais n'arrivez pas à le garder ? Vous êtes peut-être accroché à des croyances négatives : sur l'argent en général, sur vous-même, sur votre capacité à pouvoir en créer dans votre vie et à le mériter, sur les gens qui ont beaucoup d'argent, sur ceux qui n'en ont pas. L'argent, sujet tabou, est pourtant une énergie qui régit la vie de tous. Chaque jour, nous sommes en contact avec ce qui règle tous les échanges économiques. L'argent symbolise la réussite, la valeur de notre travail, la liberté. Mais il est également associé à des peurs : celle d'être confronté au monde matériel, celle de l'abandon ou du manque, celle de l'humiliation ou de la soumission. Avec ce livre, chassons tout jeu de pouvoirs et toute parure pour revenir à une énergie plus constructive ! Quand nous changeons de croyances par rapport à l'argent, l'énergie que nous projetons sur l'argent change, et l'argent change de rapport avec nous. Osez l'abondance ! Guide to Working and Healing with Divinities and Deities. Archangels and Ascended Masters is a thoroughly researched book in a lively encyclopedia format, listing 77 divinities from Greek, Roman, Egyptian, Asian, Babylonian, Tibetan, Buddhist, Celtic, Theosophical, New Age, Catholic, Cabalistic, Jewish, and

Christian roots. Doreen Virtue carefully studied and wrote about the history of each of the deities, what role they serve today, how they can help us with specific life problems, and how to call upon each one. Doreen spent time in communication with each divinity to ensure that the being was reachable, and to discover the essence of his or her personality and current dealings with the world - and within these pages, she includes a channeled message or impression from each of the ascended masters and archangels. Many of her channelings were conducted at power points throughout the world, such as Stonehenge in England; the Irish coast; Kona, Hawaii; and the New Zealand rain forest. A comprehensive chart lists a number of life situations such as Addictions, Finding a Soulmate, Emergency Money, Healing Physical Illness, and various personal and family concerns. Beneath each topic is a list of whom to call upon when dealing with that particular challenge. Doreen also includes prayers to help you call upon multiple divinities for specific issues such as "increased clairvoyance" and "resolving conflict."

With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of *The Book of Earth*, which comprises all human experience. While "our world goes belly-up in these most absurd of times," they offer us "tools for survival." During the crucial period between 1987 and 2012--a nanosecond in the annals of existence where secrets and solutions are stored--we have the unique opportunity to move from the deepest of density to the highest of frequencies--where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and those of our ancestors and our leaders. To heal ourselves, to raise our frequency from one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: "You shall change, you will change, you must change, because this is the season of change." The Cassiopaea Experiment is unique in the history of channeling, mediumship, and parapsychology. For years prior to the first Cassiopaeian transmission, Laura Knight-Jadczyk went to great lengths to study the channeling phenomenon, including its history, its inherent strengths, weaknesses, dangers, and the various theories and methods developed in the past. After having exhausted the standard literature in search of answers to the fundamental problems of humanity, Laura and her colleagues (including her husband, mathematical physicist Arkadiusz Jadczyk) have held regular sittings for more than twenty years. With the goal of applying true scientific standards and critical thinking, Laura began her experimentation with the spirit board, chosen for the optimum conditions of conscious feedback it offers. As Laura writes, "We take the approach of a sort of scientific mysticism where mystical claims are submitted to rational analysis and testing, and the required scientific proofs are modified to allow for the nature of evidence from theorized realms outside of our own where ordinary scientific proofs might not apply." After two years of working through various levels of phenomena, including alleged discarnate entities and denizens of the 'astral realms', a new source came through in 1994. Unlike previous contacts, the Cassiopaeans came through strong and clear, often delivering full paragraphs' worth of complex material at one to two letters per second, with a high density of content and impeccable orthography. After telling Laura, "we are you in the future," the C's have been covering a wide range of topics by transmitting more than one million letters over the last twenty years, answering questions from practically all fields of knowledge, including physics, mathematics, psychology, para-psychology, philosophy, esotericism, history, sociology, politics, health, and astronomy. Where the material can be verified, the C's have proven to have an amazing track record, especially when compared to the variable quality of most examples of channeling from the past 150 years. For the first time in print, this volume includes complete transcripts of 36 experimental sessions conducted in 1994. Questions and answers have been annotated extensively, giving unprecedented insight into the background and interpersonal dynamics of the early Cassiopaea Experiment. The sessions of this year introduced many of the themes that would recur in more detail

over the next twenty years, including such topics as cyclical cometary bombardment of the Earth, the solar companion hypothesis, ancient history, metaphysics, the hyperdimensional nature of reality, and the possibility of evolution of humanity.

For more than forty years, pastor R. Kent Hughes has shared the gospel with thousands of people and raised the standard of expository preaching in North America and beyond. To celebrate his legacy and pay tribute to his years of ministry, fifteen of Hughes's friends and colleagues from across the globe, including J. I. Packer, Wayne Grudem, John MacArthur, Peter Jensen, and D. A. Carson, examine what it means to be an expository preacher. Among the contributors are professors, a university chaplain, a college president, and urban church planters—living testimonies to Hughes's wide influence. These contributors address an array of themes for the ministry-minded, such as interpretive principles and practices, biblical and historical paradigms, expository preaching's contemporary aims and challenges, and the priority of training—all in the expectation that this one man's passion to preach the Word faithfully will enhance the understanding and practice of expository preaching in churches and seminaries around the world. This book will also inspire and prepare you to make the pulpit the prow of your ministry and influence the generations to come. "Kent Hughes and even more the Word of God that he has faithfully preached are worthy of this astonishing array of contributors. I rejoice that the ripple effect of one man's allegiance to the Bible has pushed so many new waves of blessing out of their hearts and into these pages." John Piper, Pastor for Preaching and Vision, Bethlehem Baptist Church, Minneapolis "That Kent Hughes can inspire contributions of such quality tells us something of the esteem in which he and his ministry are held. Here in these papers lasting treasure is to be found—in rare wisdom, fresh thinking, and occasional plain speaking. Highly recommended by one who has been uncommonly impressed and helped." Dick Lucas, Rector Emeritus, St. Helen's Church, Bishopsgate "A book packed with preaching wisdom to honor one of this generation's greatest expositors of Scripture. Kent Hughes is rightly honored, but God's Word is ever more highly honored in this special book." Bryan Chapell, President, Covenant Seminary; author, Christ-centered

Preaching "Preach the Word is not just a treasure trove for preachers—it provides what amounts to a refresher course in pastoral theology. Faithful ministers frequently pause to reflect—'What am I doing and why am I doing it and what does God want me to be doing and how does he want me to be doing it?' This book will prove a tremendously helpful conversation partner for such all-important reflection and self-evaluation. I warmly commend it to all who are serious about doing biblical pastoral ministry today."
