Of the 17,000-plus players who have donned major league uniforms over the years, not all were particularly nice or ethical. In fact, the actions of a handful were so heinous, they left an indelible mark on the sport. Spanning nearly three centuries of baseball, *Baseball's Most Notorious Personalities: A Gallery of Rogues* examines with detail this dark side of our National Pastime.

Black Baseball's National Showcase U of Nebraska Press
Baseball is the only major team sport that doesn't feature a clock, and there's a familiar saying among fans that as long as outs remain, the game can, theoretically, go on forever. Every now and again, it nearly does, as author Phil Lowry demonstrates. The product of more than four decades of research, this book catalogs baseball games from around the world and throughout history that lasted 20 or more innings, stretched five or more hours, or ended after 1:00 am. Lowry also examines probability models to predict how often games of unusual length will occur.
Baseball's No-Hit Wonders McFarland

Baseball's Starry Night gives you a fan's-eye view of a night that many have called the most exciting night in the history of Major League Baseball. Going beyond a standard retelling of the balls and strikes and homers and webgems, the book hears from 20 fans in their own words. Loyal fans of the St. Louis Cardinals, Atlanta Braves, Boston Red Sox, and Tampa Bay Rays provide exciting and deeply personal eyewitness accounts -- either from the stadiums or their living rooms. Get the "you-are-there" feeling. "This is a magical book about a magical night. This beautifully told story captures baseball at its very best." Doris Kearns Goodwin "September 28, 2011. It was a night that will forever be frozen in baseball time. A night of miracles. A night of magic. A night of heartbreak. A night for the history books. Somebody needed to write a book about that night. Thankfully, Paul Kocak volunteered for the job. And in this beautifully written book, he takes us not merely inside the astonishing ups and downs of this unforgettable evening, but inside the hearts and minds of 'ordinary' people -- the fans whose pulse rates haven't come down yet." Jayson Stark, ESPN.com Senior Baseball Writer "A retelling unlike any other of the greatest night in baseball regular-season history." Chris Mallonee, BirdsOnTheBat82.com "With *Baseball's Starry Night*, Paul Kocak captures an unforgettable moment in time in powerful, passionate prose that will bring fans to their feet all over again." Greg Tobin, former editor-in-chief of Book-of-the-Month Club, Inc. and author of *Holy Holidays!* "Paul Kocak hits an 'inside the park homer.' What a night!" Len Berman, Sportscaster/Author

Comparing major league players has always been a popular topic among baseball fans. Debating the strengths and weaknesses of such greats as Joe DiMaggio and Ted Williams, Babe Ruth and

Hank Aaron, Willie Mays and Mickey Mantle, or Tom Seaver and Greg Maddux continues to stir up controversy among fans eager to champion their heroes. In *Baseball's Top 10*, Bob Kuenster has compiled a ranking of the game's best players by position, highlighting the achievements of nearly 300 individuals. In addition to the top 10, Kuenster includes Honorable Mentions—players who were considered but didn't make the final list—and Dishonorable Mentions—players who were left off the rankings due to alleged steroid and performance enhancing drug use. Drawing upon original interviews conducted by the author, this ranking reveals the best players in major league history as seen through the eyes of former players, managers, and announcers. Player entries include biographical information, individual achievements, stats, and quotes. Organized by position—first base, second base, third base, shortstop, left field, center field, right field, catcher, designated hitters, multi-position players, right-handed starting pitchers, left-handed starting pitchers, and closers—280 outstanding players made the cut as the most elite pitchers, hitters, and fielders in MLB history. *Baseball's Top 10* features interviews with some of baseball's greatest personalities—including players who have since passed, such as Al Lopez, Bob Feller, Stan Musial, Lou Boudreau, Andy Pafko, Ron Santo, Harry Caray and Harry Kalas. With over 50 photographs and a comprehensive list of suggested titles for further reading, this book is sure to interest baseball fans and historians who love to debate the many outstanding players who have appeared in the major leagues.

Inventing Baseball Harvard University Press

This book profiles forty major league ballplayers who engineered remarkable comebacks to salvage fading careers. Details of each comeback is provided along with a summary of the player's career. The comeback players range from Hall of Famers like Ted Williams and Stan Musial; to near-greats like Tommy John and Luis Tiant; to journeyman performers like George McQuinn and Tony Cuccinello. In the absence of statistical standards to evaluate or even define comebacks, the selection of the top comeback players was based on the following criteria: historical significance, uniqueness, dramatic content, degree of difficulty, and the player's overall reputation and standing.

Learn the fascinating science behind baseball in this fact-tastic nonfiction Level 3 Ready-to-Read, part of a series about the science of fun stuff! Did you know that every time you watch a baseball game, you are watching some great examples of physics in action? Why exactly does the amount of spin on a pitch determine how far a ball can be hit? And what's the scientific reason that using pine tar on the bat makes it easier to grip? Learn all about the science behind America's favorite pastime in this fun, fact-filled Level 3 Ready-to-Read! A special section at the back of the book includes Common Core-vetted extras on subjects like anatomy and history, and there's even a fun quiz so readers can test themselves to see what they've learned!

Baseball's Starry Night Macmillan

Boston writer Michael Connolly captures the magic of America's return to normalcy after World War II in this intimate portrait of a city and the baseball team it loves. Fenway 1946 celebrates the city and the team and the spirit of that wonderful 1946 season in Boston—a season, as usual the broke fans' hearts—as America returned to return to peacetime pastimes. And none was more American than baseball. Along the way he brings out the stories and personalities that made that year so special in the Hub. From returning veterans like Ted Williams and young Congressman John F. Kennedy and thousands of others and their families who worried while they were in Europe or the Pacific, the 1946 Red Sox season was a celebration. It was catharsis. It was what made America great. Husbands and sons were coming home to the open arms of a grateful nation. This included five hundred major leaguers who fought in World War II. The homecoming of America's best sparked a spirit of collective pride from coast to coast—and New England was not exempt. For the previous five years, America sat around its radio listening to war reports. Now they would gather in the parlors to enjoy baseball once again. Baseball had always been a thread that connected the country—a sport that linked generations. Opening Day 1946 was a tangible reminder that the country was at peace – back to the way things were. Nowhere was this more relevant than in Boston. From Scollay Square to South Boston to the North End, veterans in their uniforms, kids with bats over their shoulder and housewives were talking about the return of Ted Williams and a roster that was considered the best in the league. Expectations were high – as always, at Fenway Park. Fans somehow knew this would be their year. The 1946 Boston Red Sox finished first in the American League with a record of 104 wins and 50 losses. And they wouldn't disappoint (until October). ***** * In January of 1946, Ted Williams, Dom DiMaggio, John Pesky and Bobby Doerr are released from the military and vow to come back as good as ever. * American and especially Boston are desperate for real baseball. In 1945, the Red Sox averaged only 7,814 fans a game at Fenway. In 1946, with Williams and the team back home, they played in front of over 33,000 in their last scrimmage game at Fenway Park before the season started. * Opening Day for the league was in Washington D.C. between the Senators and the Red Sox. President Harry Truman threw out the first pitch. Ted Williams went 6-12 in the series and was mobbed by Senator fans who rip his shirt off while he leaves the field. As he approached the dugout, Williams tossed his hat to a GI sitting in the lower box * The home Opening Day for the Red Sox at Fenway Park was an event for the ages. Before the game Marines re-enacted the flag-raising at Iwo Jima in center field. The first pitch was thrown out by Governor Tobin. Standing by his side was a local war hero, John Murdoch, who got a bigger ovation than Ted Williams. Murdoch was part of the team that saved boxing world champion Barney Ross, whose bravery at Guadalcanal was unparalleled. * Red Sox won an amazing 41 of their first 50 games. Ted Williams hits eleven home runs in just June. A spirit of euphoria overtakes Boston as the always hopeful fans pray for the Red Sox to break their 28-year curse. * All Star game is played at Fenway where Ted Williams and voted MVP after going 4 for 4 with 2 home runs including a grand slam. * In September, the Red Sox win a matinee game 1-0 in Cleveland on a Ted Williams inside the park home run. Later that day the Tigers lose giving Boston the pennant. Red Sox owner, Tom Yawkey throws a party in his hotel room. No one can find Ted Williams. Not telling anyone, Williams went to the local veterans' hospital in Cleveland and spent the night with a dying veteran. * Red Sox clinch the pennant. In one year their win total improved by 33 games (71-83 in 1945 to 104-50 in 1946). America is returning to the ballpark. At Fenway

alone attendance went from 603,794 in 1945 to 1,416,944 in 1946. * In the National League, the Brooklyn Dodgers and the St. Louis Cardinals tie for the pennant. While Boston awaits the National League playoff to conclude, Tom Yawkey invites American League All Stars to come to Fenway Park and scrimmage his Red Sox to keep them sharp. Hall of Famers, DiMaggio, Greenberg and Appling all sacrifice the first week of their offseason in loyalty to the American League. DiMaggio forgets his uniform and has to wear a Red Sox uniform for the game. A game in which Williams is hit on the elbow with a pitch and never fully recovers in the World Series. * In anticipation of Game Seven of the World Series in St. Louis, newspapers across the country split the front page with previews of the big game and the expected execution that day of Herman Goering (he would avoid that by killing himself) and ten other high-ranking Nazi's in Nuremberg, providing Americans further validation that the war was behind them. * President Harry Truman's team beats the Red Sox in the penultimate game when Johnny Pesky holds the relay throw from the outfield allowing Enos Slaughter to score from first on a single.

The Farmers' Game Rutgers University Press

Baseball has produced some notably strange plays—like Randy Johnson's fastball dismantling a bird—yet there have been many that defy belief. Beginning with Todd Frazier tricking umpires into calling an out with a rubber ball and culminating in Al "The Mad Hungarian" Hrabosky pitching into a scrum of two batters and a manager at home plate, this book describes the 150 most bizarre plays in the history of the game. Baserunners going in the wrong direction, outfielders kicking the ball, three runners meeting at one base, two balls in play, players ejected for dancing and many other anomalies are presented with detailed commentary.

Baseball's Rare Triple Crown Simon and Schuster

The Birmingham Black Barons were a nationally known team in baseball's Negro leagues from 1920 through 1962. Among its storied players were Hall of Famers Satchel Paige, Willie Mays, and Mule Suttles. The Black Barons played in the final Negro Leagues World Series in 1948 and were a major drawing card when barnstorming throughout the United States and parts of Canada. This book chronicles the team's history and presents the only comprehensive roster of the hundreds of men who wore the Black Barons uniform.

Baseball's Greatest Series details what many believe to be the most exciting postseason series in baseball history: the 1995 Division Series between the New York Yankees and the Seattle Mariners. This division series was not simply about two teams playing five postseason games. It was about Ken Griffey Jr., Lou Piniella, Buck Showalter, Gene Michael, Jim Leyritz, Randy Johnson, Wade Boggs, Tony Fernandez, Pat Kelly, Dion James, Darryl Strawberry and many others who changed the course of baseball history . . . A team playing to keep baseball alive in the Pacific Northwest A manager who was literally managing for his job A New York sports icon who for one week reminded everybody of the dominating player he had been a decade earlier Chris Donnelly's replay of this entire season reminds readers that it was a time when grown men cried their eyes out after defeat, and others, just a few hundred feet away, poured beer and champagne over one another while 57,000 people in Seattle's Kingdome celebrated. Five games they were. Five games that reminded people, after the devastating players' strike in 1994, how great a game baseball is because comebacks are always possible, no matter how great the obstacles may seem. From Don Mattingly's only postseason home run, which caused a near riot,

to Edgar Martinez's legendary eleventh inning series-clinching double, Donnelly chronicles the earlier struggles of both teams during the 1980s, their mid-1990s resurgence, all five heart-stopping games of the series, and the dramatic and long-lasting effects of Seattle's victory. Simply stated, Baseball's Greatest Series hits a home run.

Baseball's Other All-Stars Rowman & Littlefield

"Moving, beautiful . . . If Hemingway had written a baseball novel, he might have written *For Love of the Game*."—Los Angeles Times Billy Chapel is a baseball legend, after seventeen seasons a sure Hall of Famer. He is a man who has retained the endearing qualities of youth, a man who has devoted his life to the game he loves and plays so well. But, because of his unsurpassed skill and innocent faith, he has been betrayed. It's the final game of the season, and Billy's got one last chance to prove who he is and what he can do, a chance to prove what really matters in this life. A taut, compelling story of one man's coming of age, *For Love of the Game* is Michael Shaara's final novel, the classic finish to a brilliantly distinguished literary career. Praise for *For Love of the Game* "A delightful and lyrical story about a great athlete's momentous last game . . . A fairy tale for adults about love and loneliness and finally growing up."—USA Today "An endearing, timeless novel that can be enjoyed by both serious readers and baseball lovers for generations to come."—The Orlando Sentinel *Baseball* iUniverse

A project of SABR's Nineteenth Century Committee, *INVENTING BASEBALL* brings to life the greatest games to be played in the game's early years. From the "prisoner of war" game that took place among captive Union soldiers during the Civil War, to the first intercollegiate game (Amherst versus Williams), to the first professional no-hitter, the games in this volume span 1833–1900 and detail the athletic exploits of such players as Cap Anson, Moses "Fleetwood" Walker, Charlie Comiskey, Mike "King" Kelly, and John Montgomery Ward.

Baseball's Longest Games Rowman & Littlefield

In *Baseball's Iconic 1-0 Games* Warren Wilbert chronicles the most compelling and tense 1-0 nail-biters in the history of the game. Organized thematically, this book covers Opening Day 1-0 games; the best regular season 1-0 games, pitched by greats such as John "Jocko" Flynn and Randy Johnson; 1-0 games in championship play, from the first inning of playoffs to the final out of the World Series; perfect 1-0 games, of which only eight have been pitched since 1871—and only seven with a single pitcher; and pitching titans such as Walter Johnson, Christy Mathewson, and Cy Young. Appendixes include a full list of pitchers to have thrown a no-hit 1-0 game, pitching greats who have amassed ten or more career 1-0 victories, and 1-0 games in both the Negro Leagues and the Japanese Major Leagues. Featuring more than 30 photographs, *Baseball's Iconic 1-0 Games* is sure to fascinate all baseball fans, players, and historians.

Baseball's Most Bizarre Plays Penguin

"This book provides practical strategies for developing the mental skills which help speed you to your full potential."—Dave Winfield What does it mean to play heads-up baseball? A heads-up player has confidence in his ability, keeps control in pressure situations, and focuses on one pitch at a time. His mental skills enable him to play consistently at or near his best despite the adversity baseball presents each day. "My ability to fully focus on what I had to do on a daily basis was what made me the successful player I was. Sure I had some natural ability, but that only gets you so far. I think I learned how to focus; it wasn't something that I was necessarily born with." -- Hank Aaron "Developing and refining my mental game has played a critical role in my success in baseball. For years players have had to develop these skills on their own. This book provides practical strategies for developing the mental skills that will help speed you toward your full potential." -- Dave Winfield
