The Great Stink Flatiron Books

Psychologist Tony Hill and ex-DCI Carol Jordan—the UK crime fighting partners from the TV series Wire in the Blood—face down a serial killer.

International bestselling crime writer Val McDermid’s work speaks for itself: her books have sold millions of copies worldwide, won numerous accolades, and attracted a devoted following of readers around the globe. Cross and Burn picks up where *The Retribution* left off: following the best crime-fighting team in the UK—clinical psychologist Tony Hill and police detective Carol Jordan—who when we last saw them

were barely speaking, and whose relationship will now be challenged even further. But just because they’re not talking doesn’t mean the killing stops.

Women are being murdered—ones who bear an unsettling resemblance to Carol Jordan. And when the evidence begins to point in a disturbing direction, thinking the unthinkable seems the only possible answer. Cornered by events, Tony and Carol are forced to fight for themselves and each other as never before.

“McDermid is as smooth a practitioner of crime fiction as anyone out there . . . She’s the best we’ve got.” —The New York Times Book Review

Film-Dienst Houghton Mifflin Harcourt  
Endlich als E-Book: Die Folgen der Kult-Serie John Sinclair aus den Jahren 2000 - 2009! Er spürte noch immer den

messerscharfen Wind in seinem Gesicht, der ihm beinahe die Haut von den Knochen gefressen hätte. In seinen Ohren klang das fassliche triumphierende Lachen des Vampirs nach, und in seiner Nase hielt sich weiterhin der eklige Leichengestank der beiden Monsterghouls. Das war Vergangenheit. Kein Flugwind, auch kein Lachen, und es gab diesen widerlichen Geruch ebenfalls nicht mehr. Das war vorbei, das lag hinter ihm. Nur allmählich kam Marek, der Pfähler, zur Ruhe. John Sinclair ist der Serien-Klassiker von Jason Dark. Mit über 300 Millionen verkauften Hefromanen und Taschenbüchern, sowie 1,5 Millionen Hörspielfolgen ist John Sinclair die erfolgreichste Horrorserie der Welt. Für alle Gruselfans und Freunde atemloser Spannung.

(Editor's Choice) It's three thousand miles from the green fields of glory, where Henry "call me Hank" Thompson once played California baseball, to the Lower East Side of Manhattan, where the tenements are old, the rents are high, and the drunks are dirty. But now Hank is here, working as a bartender and taking care of a cat named Bud who is surely going to get him killed. It begins when Hank's neighbor, Russ, has to leave town in a rush and hands over Bud in a carrier. But it isn't until two Russians in tracksuits drag Hank over the bar at the joint where he works and beat him to a pulp that he starts to get the idea: Someone wants something from him. He just doesn't know what it is, where it is, or how to make them understand he doesn't have it. Within twenty-four hours

Hank is running over rooftops, swinging his old aluminum bat for the sweet spot of a guy's head, playing hide and seek with the NYPD, riding the subway with a dead man at his side, and counting a whole lot of cash on a concrete floor. All because of two cowboys, two Russian mafia men, and some of the weirdest goons ever assembled in one place. All because of Bud. All because once, in another life, in another world, the only thing Hank wanted was to take third base—without getting caught.
