University of  
Alaska Press  
A chance  
meeting with  
a charismatic

photographer  
will forever  
change  
Elizabeth's  
life. Until she  
met Richard,  
Elizabeth's  
relationship  
with Georgia  
O'Keeffe and  
her little-  
known Hawaii

paintings was  
purely  
academic.  
Now it's  
personal.  
Richard tells  
Elizabeth that  
the only way  
she can truly  
understand  
O'Keeffe isn't  
with her

mind—it's by getting into O'Keeffe's skin and reenacting her famous nude photos. In the intimacy of Richard's studio, Elizabeth experiences a new, intoxicating abandon and fullness. It never occurs to her that the photographs might be made public, especially without her consent. Desperate to avoid exposure—she's a rising star in the academic world and the mother of

young children—Elizabeth demands that Richard dismantle the exhibit. But he refuses. The pictures are his art. His property, not hers. As word of the photos spreads, Elizabeth unwittingly becomes a feminist heroine to her students, who misunderstand her motives in posing. To the university, however, her actions are a public scandal. To her husband, they're a public humiliation. Yet Richard

has reawakened an awareness that's haunted Elizabeth since she was a child—the truth that cerebral knowledge will never be enough. Now she must face the question: How much is she willing to risk to be truly seen and known?

 Have you ever eaten a whole bag of sweets and gotten a stomachache afterward? Do you sometimes do or say things

without thinking first? Is it easy to “forget” to put on sunscreen when you go to the beach? The Virtue of Prudence provides fifteen illustrated mini stories that highlight the importance of prudence and how we can put this virtue into practice. *Crisis and Response* Asprs Publications NEW YORK TIMES BESTSELLER • From the bestselling author of *Before We Were Yours*

comes a dramatic historical novel of three young women searching for family amid the destruction of the post-Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students’ lives. “An absorbing historical . . . enthralling.”—Library Journal Bestselling author Lisa Wingate brings to life startling stories from actual “Lost Friends”

advertisement s that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. Louisiana, 1875: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia’s

Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question:

Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of

new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything. *Statistics for the Behavioral Sciences Kids* Can Press Ltd Just what exactly is social studies,

you may ask? Well, it includes the study of all kinds of people and places, some far away and some next door. In this book we talk about families, like your family in your house, and also lots of people close by, which we call a town or city, and finally about even more people in cities or outside of cities, all living in big places called countries. My Story and the World Around Me is a course

for lower elementary students. It includes basic introductions to history, politics, sociology, economics, and geography, and provides a fuller understanding of God's world and the cultures of the countries. This is a daily adventure-based curriculum series that encourages families to explore the world together through four nine-week quests and to understand it better from

God's perspective. It is designed with elements that make weekly learning fun and interactive, including: Activity time Word find time Review time My story journal Learn all about the world while you discover more about your own. And make sure you pull out your Quest Collector Cards at the beginning of each quest. Your world map on the other side shows where you are in

each lesson!

Classroom in a Book (Adobe)  
 The purpose of this manual is to provide clear and helpful information for

maintaining gravel roads. Very little technical help is available to small agencies that are responsible for managing these roads. Gravel road maintenance has traditionally been "more of an art than a science" and very few formal standards exist. This manual contains guidelines to help answer the questions that arise concerning gravel road maintenance such as: What is enough

surface crown? What is too much? What causes corrugation? The information is as nontechnical as possible without sacrificing clear guidelines and instructions on how to do the job right.

Ballantine Books  
 Enjoying days spent with animal friends near her home in the Amazon, young Zonia wonders what to do on a day when the rainforest calls out to her for

help, in an illustrated story that's complemented by background matter about the Ashâninka community. Singing Waters, Dancing Flames Routledge A Winner of People Magazine's Best Books for Fall 2019. New York Times bestselling authors Barry Lyga and Morgan Baden have teamed up for the first time to create a novel that's gripping, terrifying and more relevant every day.

Cassie McKinney has always believed in the Hive. Social media used to be out of control, after all. People were torn apart by trolls and doxxers. Even hackers — like Cassie's dad — were powerless against it. But then the Hive came. A better way to sanction people for what they do online. Cause trouble, get too many "condemns," and a crowd can come after you, teach you a

lesson in real life. It's safer, fairer and perfectly legal. Entering her senior year of high school, filled with grief over an unexpected loss, Cassie is primed to lash out. Egged on by new friends, she makes an edgy joke online. Cassie doubts anyone will notice. But the Hive notices everything. And as her viral comment whips an entire country into a frenzy, the Hive demands retribution.

One moment Cassie is anonymous; the next, she's infamous. And running for her life. With nowhere to turn, she must learn to rely on herself — and a group of Hive outcasts who may not be reliable — as she slowly uncovers the truth about the machine behind the Hive.

Labor-based Grading Contracts

Heinemann Bristol Bay in Southwest Alaska is one of the great commercial fisheries on earth. More

than half of the world's sockeye salmon return to "The Bay" every year. Sailing for Salmon is a nostalgic look back, through photographs and recollections, on the "sailboat days," a time when these salmon were harvested from sailboats - a time still within living memory.

These sailboats, called Bristol Bay double-enders, were well-crafted and beautiful, but obsolete for most of

their history.

The use of motorized fishing vessels was finally allowed in 1951. The Bristol Bay commercial fishery has changed much since then, but the sailboat remains the iconic image of a fishery born on the wind.

 Wingate takes  
 an almost  
 unthinkable  
 chapter in our  
 nation’s  
 history and  
 weaves a tale  
 of enduring  
 power.”—Paul  
 a McLain  
 Memphis,  
 1939. Twelve-  
 year-old Rill  
 Foss and her  
 four younger  
 siblings live a  
 magical life  
 aboard their  
 family’s  
 Mississippi  
 River  
 shantyboat.  
 But when their  
 father must  
 rush their  
 mother to the  
 hospital one  
 stormy night,

Rill is left in  
 charge—until  
 strangers  
 arrive in force.  
 Wrenched  
 from all that is  
 familiar and  
 thrown into a  
 Tennessee  
 Children’s  
 Home Society  
 orphanage,  
 the Foss  
 children are  
 assured that  
 they will soon  
 be returned to  
 their  
 parents—but  
 they quickly  
 realize the  
 dark truth. At  
 the mercy of  
 the facility’s  
 cruel director,  
 Rill fights to  
 keep her  
 sisters and  
 brother  
 together in a  
 world of  
 danger and

uncertainty.  
 Aiken, South  
 Carolina,  
 present day.  
 Born into  
 wealth and  
 privilege,  
 Avery Stafford  
 seems to have  
 it all: a  
 successful  
 career as a  
 federal  
 prosecutor, a  
 handsome  
 fiancé, and a  
 lavish  
 wedding on  
 the horizon.  
 But when  
 Avery returns  
 home to help  
 her father  
 weather a  
 health crisis, a  
 chance  
 encounter  
 leaves her  
 with  
 uncomfortable  
 questions and  
 compels her

to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation or to redemption. Based on one of America's most notorious real-life scandals—in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country—Lisa Wingate's riveting,

wrenching, and ultimately uplifting tale reminds us how, even though the paths we take can lead to many places, the heart never forgets where we belong. Publishers Weekly's #3 Longest-Running Bestseller of 2017 • Winner of the Southern Book Prize • If All Arkansas Read the Same Book Selection **Attu Boy** Kids Can Press Ltd This new title features original songs and favorites

with Orff arrangements, stories, games, and songs for elementary students. All thematically linked to the four elements, Earth, Air, Fire, and Water, this collection is the latest and best from this best-selling author. Sustainable Children's Ministry Loyola Press Are you a children's ministry leader on the edge of burnout? Sustainable Children's Ministry shows you how to

recruit volunteers, partner with parents, navigate politics, and care for your own soul instead of frantically scrambling to do it all yourself. This practical resource will help you build a ministry foundation that will still be standing long after you are gone.

Challenging the U.S.-Led War on Drugs  
Candlewick Press (MA)  
Separated from his family when they were forced to flee

their home, a young East African boy named Deo lives alone in the Lukole refugee camp in Tanzania. With scarce resources, bullies have formed gangs to steal what they can, and one leader named Remy has begun targeting Deo. But when a coach organizes the children to play soccer, everything begins to change for Deo. And for Remy. By sharing the joy of play, –no one feels so alone

anymore.”  
Readers everywhere will be inspired to read how play can change lives.  
*The DC Future Book*  
Brookings Institution Press  
Statistics for the Behavioral Sciences is an introduction to statistics text that will engage students in an ongoing spirit of discovery by illustrating how statistics apply to modern-day research problems. By integrating instructions, screenshots,

and practical examples for using IBM SPSS® Statistics software, the book makes it easy for students to learn statistical concepts within each chapter. Gregory J. Privitera takes a user-friendly approach while balancing statistical theory, computation, and application with the technical instruction needed for students to succeed in the modern era of

data collection, analysis, and statistical interpretation. **Digital Elevation Model Technologies and Applications** InterVarsity Press For more than 200 years, the Constitution of the United States has been a “working” document, maintaining the original principles upon which our nation was founded while, at the same time, changing with the country, as reflected in

its amendments. While the U.S. Constitution itself outlines the basic structure of the federal government, its twenty-seven amendments address many subjects but primarily focus on the rights of individual American citizens. This booklet outlines those rights, offering historical context and other information that is both interesting and informative. The continued

vitality of our democracy is dependent upon an informed citizenry. Understanding the history of the Constitution and its amendments will assist all of us in more fully appreciating these rights and responsibilities as they have evolved over time. Moreover, such understanding will ensure that these rights will continue to be exercised, valued, and cherished by

future generations. Sailing for Salmon Teacher Created Resources Poetry. "Go ahead, try all you want pulling on Ruth Madievsky's emergency brake—but just remember it won't do you any good. This will be the most exciting and inventive first book you have read in years, and this poet's take-no-prisoners attitude makes for an ecstatic joyride. These deeply moving poems reflect

the raw darkness paring at the edges of our lives, and they reveal how that dark can sometimes move to the very centers of our being. Sexy, irreverent, sorrowful, thrilling—the poems of EMERGENCY BRAKE become a young woman's survival manual for the Twenty-First Century: ignore it at your own peril."—David St. John China 2049 Taylor & Francis

Named a Best Feel-Good Book by The Washington Post When a home aide arrives to assist a rambunctious family at a crossroads, simmering tensions boil over in this “witty, exuberant debut” (People) that is an “absolute delight from start to finish” (Sarah Haywood, New York Times bestselling author)—perfect for fans of Where’d You Go, Bernadette

and Evvie Drake Starts Over. When Kevin Gogarty’s eighty-three-year-old mother is caught shoplifting yet again, he has no choice but to hire a caretaker to keep an eye on her. Kevin, recently unemployed, is already at his wits’ end tending to a full house while his wife travels to exotic locales for work, leaving him solo with his sulky, misbehaved teenaged daughter. Into

the Gogarty fray steps Sylvia, the upbeat home aide, who appears at first to be their saving grace—until she catapults the Gogarty clan into their greatest crisis yet. “Bracing, hilarious, warm” (Judy Blundell, New York Times bestselling author), Good Eggs is an irresistibly charming study in self-determination; the notion that it’s never too late to start living; and the unique redemption

that family, despite its maddening flaws, can offer.

Adobe After Effects Classroom in a Book (2021 Release)

Introduces the features of Adobe Photoshop Elements 12, covering such topics as importing, sorting, editing, retouching, and combining photos; working with color; and fixing exposure problems.  
*Tuliba Collection* She Writes Press

Kids will love this cumulative and hysterical read-aloud that features a free downloadable song! "I was walking down the road and I saw...a donkey, Hee Haw! And he only had three legs! He was a wonky donkey." Children will be in fits of laughter with this perfect read-aloud tale of an endearing donkey. By the book's final page, readers end up with a spunky, hanky-panky, cranky, stinky,

dinky, lanky, honky-tonky, winky wonky, donkey!  
**Edexcel AS and a Level Modular Mathematics Statistics 1 S1** NorthSouth Books  
In June 1942 the Japanese army invaded Attu, a remote island at the end of the Aleutian Chain. Soldiers occupied the village for two months before taking its Alaska Native residents to Japan, where they were held until the end of the war. After harassing

American and Canadian forces for little over a year, the Japanese forces quietly withdrew. After the war, the Attuans' return to Alaska was not a joyful reunion. When they were released, the Attuans were not allowed to return to their home, but were settled instead in Atka, several hundred miles from Attu. Attu Boy is Nick Golodoff's

memoir of his experience as a prisoner of war in Japan during World War II as a young boy. Nick was six years old when Japanese soldiers invaded his remote Aleutian village. Along with the other Unangan Attu residents, Nick and his family were taken to Hokkaido, Japan. Only 25 of the Attuans survived the war; the others died of

hunger, malnutrition, and disease. Nick tells his story from the unique viewpoint of a child who experienced friendly relationships with some of the Japanese captors along with harsh treatment from others. Other voices join Nick's to give the book a broad sense of the struggles, triumphs, and heartbreak of lives disrupted by war.
