Intimate Friendship with God Image

Do you want to experience more spiritual power in your life? Do you want to break the yokes and bondage in your life and those around you? Are you tired and frustrated with the old routine of going to church with the narration of the power of God without the demonstration of the power? In *The Anointing*, author Apostle Ese Duke offers a reverential look at the anointing of the Holy Spirit, the supernatural power of God that gives a believer the ability to fulfil their God given purpose. Apostle Ese Duke discusses: what the anointing is; how to prepare to receive the anointing; the levels and dimensions of the anointing; the laws operating the anointing; the difference between the anointing within and the anointing upon; how the anointing functions and grows; how to release the anointing; and how to keep the anointing flowing and many more impactful, life-changing teachings. *The Anointing* presents a look at God's power working in an ordinary man to bring about the supernatural in the lives and affairs of men.

Jesus and the Book of Acts are the standard of Normal Christianity. Remember the fad a few years ago when people wore bracelets reminding them, "What Would Jesus Do?" Christians state that Jesus is the example of how to live, yet this has been limited in many cases to how we view our moral character. When Christians tell me that they want to live like Jesus, I like to ask if they have multiplied food, healed the sick, walked on water, raised the dead, paid their taxes with fish money, calmed storms, and so forth. I typically receive bewildered looks, but that's what it is like to live like Jesus! Perhaps we are ignoring a large portion of what living like Jesus really includes. While I agree that we are to live like Jesus, "Those who say they live in God should live their lives as Jesus did" (1 John 2:6 NLT). I am also aware that the application of Jesus' model has been minimized to something that can be accomplished by living a moral life. Many Christians believe that they can live like Jesus without ever operating in the supernatural. After reading in the Bible about all of the miracles He performed,

does that sound right to you? (Excerpt from book)

DIVSowell presents a devastating critique of the mind-set behind

the failed social policies of the past thirty years. Sowell sees what has happened during that time not as a series of isolated mistakes but as a logical consequence of a tainted vision whose defects have led to crises in education, crime, and family dynamics, and to other social pathologies. In this book, he describes how elites—the anointed—have replaced facts and rational thinking with rhetorical assertions, thereby altering the course of our social policy./Div

Never before have we seen the church degenerate at such a rapid

pace. This is largely due to the church pursuing congregational growth instead of kingdom growth. The church is dying because our growth isn't based on strategies to reach the lost with the gospel. The time to change is now, we can't wait any longer. People's eternities are at stake. What is your church's priority? Are you more concerned with filling your building or furthering the Kingdom? This book will challenge you to evaluate just how important gospel-based evangelism is to you and your church, and call on you to restore an intentional evangelism strategy within the body. Hell will tremble when churches once again make evangelism the central theme of their strategy.
