HUNTER HICKS

Indira Gandhi Houghton Mifflin
Harcourt

Based on interviews and other source

material My Truth is a rare and vitally important book; the story of much of Indira Gandhi's life in her own words. First published in India and France in 1980 when Mrs Gandhi was out of power, it now assumes an extra importance in view of her tragic and

untimely death. Told simply and warmly, the book unfolds the life of a gifted person born into a remarkable family. There are evocative passages of her recollections of her grandfather and the days spent in Allahabad, of the heroes of her childhood, the books she admired, of Jawaharlal exhorting her to take to physical activities, of holidays in the hills, a dream, like childhood abruptly altered as her father plunged into the freedom movement.

Indira Gandhi, Letters to an American Friend 1950-1984 Diamond Pocket Books (P) Ltd.

A biography of Indira Gandhi, India's Prime Minister, which emphasizes her part in India's long non-violent struggle for independence from England.

India's Indira New York : Meredith Press

From an acclaimed economist and politician, a unique, never-before-seen look at the life of one of India's most well-known prime ministers—Indira Gandhi—and her work to protect the environment and champion the preservation of nature and the climate. Indira Gandhi, prime minister of India for sixteen years, was as charismatic as she was controversial—both admired and criticized for her political judgments and actions. Yet what has never been fully revealed is her lifelong commitment and love for nature and how that defined her very being. Weaving personal, political, and environmental history, politician and scholar Jairam Ramesh presents a compelling portrait of an extraordinary public figure. He chronicles how and why she made a personal passion a public

calling; how her views on the environment remained steadfast even as her political and economic stances evolved; how her friendships with conservationists led to far-reaching decisions to preserve India's biodiversity; how she urged, cajoled and persuaded her colleagues in making significant decisions regarding forests and wildlife; and how her own finely developed instincts and initiatives resulted in landmark policies, programs, and laws that have endured to this day. Drawing extensively from unpublished letters, notes, messages and memos, *Indira Gandhi: A Life in Nature* is both a lively, engaging narrative about the little-known parts of Indira Gandhi's life, and also sheds important light on climate change and sustaining the

environment—today's most pressing global issues.

My Truth Penguin UK

Biography of the Indian Prime Minister, Indira Gandhi, b. 1917.

Indira Gandhi Hay House, Inc

A 1974 biography of Indira Gandhi, written when she still held office as the Prime Minister of India. Includes a section of photographs, and a list of references.

Indira Gandhi Doubleday Books

Indira Gandhi, Prime Minister of India for over sixteen years, was a brave freedom fighter and a passionate patriot, deeply committed to the honour and integrity of India. She was also a devoted mother and grandmother, who was great fun to be with—she loved books, nature, art, sports and puzzles. Born into the

illustrious Nehru family in Allahabad, Indira Priyadarshini Gandhi was educated at Santiniketan, Geneva and Oxford, and was determined since childhood to serve the people of India. This biography, with a foreword by Rajiv Gandhi, and illustrated with rare photographs, portrays very simply but eloquently the life of the 'Iron Lady of India' from her birth on 19 November 1917 to her assassination on 31 October 1984.

Indira Gandhi St. Martin's Press
 Indira Gandhi's life was part of the unfolding history of India, intricately woven with India's past and future. It (became) inevitable, therefore, that politics (formed) a backdrop to her public and often private actions. Indira Gandhi's life spanned over two-thirds

of a century. By the time of her brutal assassination in 1984, she had established herself as the most significant political leader India had seen since the death of her father, Jawaharlal Nehru. In this book, written with the close cooperation of her subject, Pupul Jayakar seeks to uncover the many personalities that lay hidden within Mrs Gandhi. Much more than a political biography, the book reveals the complex personality of Indira Gandhi—her thoughts and feelings, her hates and prejudices, her insights and her faults, her loves and emotional entanglements. Full of startling insights, *Indira Gandhi: A Biography* paints a magnificent portrait—at once empathetic and unprejudiced—of one of the twentieth century's most remarkable

Women.

Indira Gandhi Penguin UK

How did Indira Gandhi reach the pinnacle of Indian politics? Did India move away from freedom under her leadership? What kind of woman was she? Indira Gandhi made unorthodox use of power and possessed a highly individual style of functioning. In this book, Nayantara Sahgal persuasively argues that authoritarianism was the inevitable outcome of Indira's personality and temperament. Her leadership marked a drastic break with the democratic tradition of her family and Indian politics. During her regime, the political landscape of India underwent profound changes. The Emergency of 1975 - 77 was used to promote her son Sanjay as her ultimate

successor. The entry of her elder son, Rajiv, onto politics after Sanjay's death, and his immediate political prominence showcased Indira's essential belief in her family's right to rule. Nayantara Sahgal's personal knowledge of her cousin, in combination with her unparalleled access to letters exchanged within the Nehru family, makes for a striking and insightful analysis of Indira's tryst with political power and an unusually penetrating psychological and political portrait from an intimate family viewpoint. Praise for Nayantara Sahgal 'Her writing is . . . thoughtful and intelligent.' Shashi Tharoor 'She is brilliant . . . complex and questioning.' Pearl S. Buck
Emergency Chronicles Asia Book Corporation of Amer

The gripping story of an explosive turning point in the history of modern India. On the night of June 25, 1975, Indira Gandhi declared a state of emergency in India, suspending constitutional rights and rounding up her political opponents in midnight raids across the country. In the twenty-one harrowing months that followed, her regime unleashed a brutal campaign of coercion and intimidation, arresting and torturing people by the tens of thousands, razing slums, and imposing compulsory sterilization on the poor. *Emergency Chronicles* provides the first comprehensive account of this understudied episode in India's modern history. Gyan Prakash strips away the comfortable myth that the Emergency was an isolated event brought on solely

by Gandhi's desire to cling to power, arguing that it was as much the product of Indian democracy's troubled relationship with popular politics. Drawing on archival records, private papers and letters, published sources, film and literary materials, and interviews with victims and perpetrators, Prakash traces the Emergency's origins to the moment of India's independence in 1947, revealing how the unfulfilled promise of democratic transformation upset the fine balance between state power and civil rights. He vividly depicts the unfolding of a political crisis that culminated in widespread popular unrest, which Gandhi sought to crush by paradoxically using the law to suspend lawful rights. Her failure to preserve the existing political order had lasting and

unforeseen repercussions, opening the door for caste politics and Hindu nationalism. Placing the Emergency within the broader global history of democracy, this gripping book offers invaluable lessons for us today as the world once again confronts the dangers of rising authoritarianism and populist nationalism.

Indira Gandhi Capstone
Describes the life and accomplishments

of the influential woman who sacrificed her personal life to become India's first female prime minister.

Indira Franklin Watts

A collection of letters Indira Gandhi wrote to Dorothy Norman, a distinguished author, editor, and photographer. The two women first met when Indira accompanied her father to the United States in 1949. They struck up a friendship that was to last for three and a half decades until Indira's tragic death in 1984. Here is Mrs. Gandhi's story about her growth from a shy young woman, her father's confidante, into a fearless, energetic, controversial political figure, a leader of more than 700 million people. The process was at once exhilarating and painful, with all shades of life in between. The responsibility, the

fatigue, the feeling of "imprisonment" and "loneliness" are overwhelming at times as is the desire to be alone, to reflect, to write, or catch a glimpse of yellow blooming daffodils. ISBN 0-15-144372-6: \$14.95.

Indira Gandhi Greenwood

This is the first definitive biography of arguably India's most influential and powerful civil servant: P.N. Haksar, Indira Gandhi's alter ego during her period of glory. Educated in the sciences and trained in law, Haksar was a diplomat by profession and a communist-turned-democratic socialist by conviction. He had known Indira Gandhi from their student days in London in the late-1930s, even though family links predated this friendship. They kept in touch, and in May 1967, she plucked him

out of his diplomatic career and appointed him secretary in the prime minister's Secretariat. This is when he emerged as her ideological beacon and moral compass, playing a pivotal role in her much-heralded achievements including the nationalization of banks, abolition of privy purses and princely privileges, the Indo-Soviet Treaty, the creation of Bangladesh, rapprochement with Sheikh Abdullah, the Simla and New Delhi Agreements with Pakistan, the emergence of the country as an agricultural, space and nuclear power and, later, the integration of Sikkim with India. This power and influence notwithstanding, Haksar chose to walk away from Indira Gandhi in January 1973. She, however, persuaded him to soon return, first as her special envoy

and later as deputy chairman of the Planning Commission where he left his distinctive imprint. Exiting government once and for all in May 1977, he then continued to be associated with a number of academic institutions and became the patron for various national causes like protecting India's secular traditions, propagating of a scientific temper, strengthening the public sector and deepening technological self-reliance. Successive prime ministers sought his counsel and in May 1987, he initiated the reconstruction of India's relations with China. He remained an unrepentant Marxist and one of India's most respected elder statesman and leading public figures till his death in November 1998. Drawing on Haksar's extensive archives of official papers,

memos, notes and letters, Jairam Ramesh presents a compelling chronicle of the life and times of a truly remarkable personality who decisively shaped the nation's political and economic history in the 1960s and 1970s that continues to have relevance for today's India as well. Written in Ramesh's inimitable style, this work of formidable scholarship brings to life a man who is fast becoming a victim of collective amnesia.

Rajiv Gandhi New York : T. Y. Crowell
Presents the life of the prime minister of India from her lonely childhood through her rise to power.

India S&S India

Presents the life of the first woman prime minister of India, from her childhood to her assassination.
