The book is capable of providing peace and content to each and every individual's life. #v&spublishers *THE MAGIC* Motilal Banarsidass Publishe Objective of Astrology is to give accurate predictions about future but its utility lies in the correct and effective solutions to our problems. Astrology is highly beneficial because with the help of this knowledge we come to know about

our future and forth coming good or bad events. Rightly has some body affirmed, "To be forewarned is to be forearmed". When we know it in advance that something negative is likely to happen to us we prepare ourselves to face that or avert that by equipping ourselves with necessary tools and weapons for our protection. Here in this book of AIFAS the readers are informed with all the remedial measures and spiritual products. These spiritual products are also

known as astrological Products or remedial Products. These products are not very easily available in the market but organizations like Future Point Pvt. Ltd. is catering to these requirements as it has been quite up to the mark in removing the cob webs from the minds of the people in general by providing adequate information, expertise and genuine spiritual products. 'Encyclopedia of Astrological Remedies' is a consolidated effort to combine the various types

of remedial measures available in Vedic Astrology, vedas, mythology, mantra shastra, Lal Kitab, gemology, science of yantras and other reliable sources of our cultural heritage which include the uses of gems, rudraksha, yantras, rosaries, crystals, rudraksha kavach, parad, rings, conch, pyramids, coins, lockets, fengshui, remedial bags, colors, talismans, fasting and meditation with mantras

- A pictorial account of P C Sorcar's metamorphosis into the Maharaja of Magic from very humble beginnings - Provides the reader a closer look at Sorcar whom the greats in his fraternity rated as the 'Greatest Ever' - Written by his son who was once his apprentice, now carrying on the proud

tradition - Photographs culled from various sources throw light on the magician as well as the man behind the scenes P.C. Sorcar is one of the greatest magicians of the twentieth century. He single-handedly revived a languishing Indian art and brought it to the world stage. This book is a pictorial account of his metamorphosis into the Maharaja of Magic from very humble beginnings. Written by his son, who was once his apprentice and now carrying on the proud tradition, this is a

deeply personal view of the life and times of a towering figure.

Photographs culled from various sources throw light on the magician as well as the man behind the scenes. Rare posters, newspaper articles, cartoons, family photos, private papers, facsimiles of honors and awards add to the richness of the work, thereby providing the reader a closer look at Sorcar whom the greats in his fraternity rated as the 'Greatest Ever'.

Robert Svoboda addresses Vāstu, the classical Indian art (or science) of architectural form, in a wholly unique way. Instead of presenting lists of rules and architectural injunctions to which builders and interior designers must scrupulously adhere at all times, he sensitizes the reader to the dynamics of space, alignment, and form in ever-expanding orbits of individual life. In the process of guiding the reader through a series of meditations on the dynamics of space and

alignment, Dr. Svoboda enters the realms of classical Indian medicine (Āyurveda) and astrology (Jyotiṣa), which, it turns out, are of the greatest importance to realizing Vāstu and its contours in one's life. Dr. Svoboda allows readers and home builders to understand the complex dynamics of individual, terrestrial, and celestial energetic systems. This leads to a greater awareness of the nature of space and its application to house construction, interior spaces, gardens, one's

relationship with the land, and, consequently, one's relationship with oneself. *TANTRIK SIDDHIYAN* Courier Corporation
Indrajal Comics began publishing self-titled monthly issues in March 1964. Each of the first 10 issues had 16 pages of Phantom comics. The stories had to be edited to fit this short format. The remaining 12 pages were dedicated to other content, similar to Gold Key's style. In the next 19 issues it became 20-24 pages. As the series continued, different

characters would share the spotlight. Characters such as Flash Gordon, Mandrake the Magician, Bahadur, Kerry Drake, Rip Kirby, Garth, Mike Nomad and Buz Sawyer appeared - as well as Disney characters Robin Hood and Mickey Mouse along with Goofy, but the majority of the series spotlighted The Phantom. So much so that the series is often erroneously referred to as "The Phantom" instead of the correct "Indrajal Comics". In due course the publication became

fortnightly and then weekly by 1981. The numbering of books which was simply sequential in the beginning then changed to have the typical volume and a number. Indrajal Comics #444 was labeled as Vol.20 and No.1. The front cover design changed with distinct banner containing the title "Indrajal Comics" with a small circle showing the face of the main character. A total of 803 Indrajal Comics were published, excluding #123 and #124 which

were not printed due to industrial strike action. More than half of these issues contained Phantom stories. The publishing stopped in 1990. The cover artwork for the first 50 or so issues of Indrajal Comics was done by B.Govind, with the back cover featuring a pin-up poster. His artwork became very popular and even said to have matched the artwork on the covers of international phantom publications such as Gold key or Frew. To avoid confusion among Indian readers, there were

some minor changes done to the name of the Phantom's location and some characters in stories published in Indrajal Comics. The term "Bengali" or "Bengalla" or "Bengal" was changed to "Denkali" and in some issues "Dangalla" as well. This was since there is a state called "Bengal" in India and this may lead the readers to wonder about the "Pygmy" people that don't exist in Bengal. The name of the "Singh Brotherhood" was changed to "Singa Brotherhood" and the

killer of the father of the current (21st) Phantom was changed from "Rama" to "Ramalu" although the latter too is one of the common names in India. Apart from English, Indrajal Comics published the stories in at least a dozen other Indian languages including Hindi, Bengali, Tamil and Kannada. The Dus Mahavidyas are Wisdom Goddesses. Dus means ten, Maha means great, and Vidya means wisdom. Ranging from the gentle to the horrific, each form of the Goddess has Her own name, story, quality, and mantras. Mahavidya Sadhana originated in India around 1700CE and

is considered to be the most esoteric of all spiritual practices. It is a discipline meant only for the lion hearted! Mahavidya Sadhana is one of the best kept secrets of the Indian mystical traditions but not any more. This text provides a detailed, step by step guide to invoke, evoke and personally work with each of the Ten Mahavidyas. The results will be astonishing and life altering! The first comprehensive study of the Indian power symbol that allows the individual to take a journey to the primordial center of life • Highly illustrated exploration of every aspect of the yantra, including its related rituals, sounds, and meditation practices • Investigates the continued use of the yantra in modern India as

a magic talisman The yantra is both a complex metaphysical symbol and a tool of ritual and meditation. In kundalini yoga, the patterns contained in this metaphysical and geometrical construct correspond to the psychic centers of the subtle body, therefore making the body itself a functioning yantra. In this book, which is the first comprehensive study of the subject, the author provides a step-by-step explanation of the dynamic process wherein

the yantra aids the individual in the spiritual journey to return to original wholeness. Every aspect of this important Indian symbol is explored, from its related sounds, rituals, and use in meditation to its application in traditional temple architecture and sculpture. The author also looks at its continued use in both the “black” and “white” magic traditions of the subcontinent, as well as its power as a talisman.
