Tin Crafts Northlight

The joy of finding an old box in the attic filled with postcards, invitations, theater programs, laundry lists, and pay stubs is discovering the stories hidden within them. The paper trails of our lives -- or ephemera -- may hold sentimental value, reminding us of great grandparents. They chronicle social history. They can be valuable as collectibles or antiques. But the greatest pleasure is that these ordinary documents can reconstruct with uncanny immediacy the drama of day-to-day life. The Encyclopedia of Ephemera is the first work of its kind, providing an unparalleled sourcebook with over 400 entries that cover all aspects of everyday documents and artifacts, from bookmarks to birth certificates to lighthouse dues papers. Continuing a tradition that started in the Victorian era, when disposable paper items such as trade cards, die-cuts and greeting cards were accumulated to paste into scrap books, expert Maurice Rickards has compiled an enormous range of paper collectibles from the obscure to the commonplace. His artifacts come from around the world and include such throw-away items as cigarette packs and crate labels as well as the ubiquitous faxes, parking tickets, and phone cards of daily life. As this major new reference shows, simple slips of paper can speak volumes about status, taste, customs, and taboos, revealing the very roots of popular culture.

1001 Teaching Tips Sterling Publishing Company, Inc.

Don't just send a card--give someone special a handmade keepsake! Making pretty, personalized greeting cards has never been simpler or more fun. these eye-catching projects will help you celebrates any occasion, from birthdays to holidays, by letting loved ones know that you remember them warmly.

Primary Plans Sterling Publishing Company

Create an individual greetings card for any occasion whether it be a birthday, anniversary, wedding, driver's test, newborn baby, new home, or get-well-soon card from one of the ingenious designs in this fantastic collection. Taking the three most popular and easiest techniques, these quick and colourful cards are made from using stamps, stencils and stickers combined with an amazing array of printed coloured papers. Inventive designs with stamps include using embossing powder, making two-colour images and creating repeat motifs. Stickers are used as the main card design enhanced with decorative paper collages and stencils are used to make decorative borders and designs. Whether used singly or in combination, these simple ingredients make stunning card designs achievable by anyone without prior card making skills. Each of the 36 card designs has a photograph of the finished project as well as clear step-by-step photographs and detailed instructions, making this a straightforward and easy-to-use practical craft book. In addition, there is detailed information on tools, materials and techniques, as well as useful hints and tips throughout.
