How do you

define  
rockabilly?  
Who were the  
original  
"outlaws" of  
Country

music? Where can you go to hear great music in Austin, Texas? My Country Roots answers all these questions and hundreds more! It is a resource that will help you fill your mp3 player with the essential Country songs, while impressing your friends with your knowledge of the ultimate outsider art. Containing 100 recommended playlists for downloading, this book is the best and most unique

way to explore the Country music genre in a modern easy, convenient way. Each playlist walks you through the history, culture, and relevance of Country music, revealing the authenticity and raw truth that represents Country. Whether you are a long-time lover of Country music or just discovering the genre, this book will help you not only organize your music, but explore,

evaluate, and critique the music while learning about the basics of Country?what we sound like, what we believe in, where we've come from, and where we're goin'. This guide also provides a behind the scenes look at some of the cities that have spawned the greatest music of the genre and films that have contributed to the mystique which defines Country. For all you music lovers, mp3 users, or folks

who are interested in discovering or rediscovering your country roots, this is a book you can't live without!

**Johnny Cash Anthology (Songbook)**

Hal Leonard Publishing Corporation  
An unprecedented look at the life and inspirations of the Man in Black. Gathering together previously unpublished photographs, lyrics, art, notes, and recollections from the Cash family archives, John

Carter Cash paints an intimate portrait of his father's rich inner life, exploring a creative spirit, a fundamentally loving nature, and an inspiring persistence. Trains, Jesus, and Murder Greenwood Publishing Group  
How did Saul Holiff, a serious-minded Canadian businessman, get hooked up with Johnny Cash at his most wild? The Cash-Holiff partnership

explores the dizzying success and rock-bottom depths the two shared, and reveals the secrets that eventually pulled them apart. *Johnny Cash* Harper Horizon  
He was the "Man in Black," a country music legend, and the quintessential American troubadour. He was an icon of rugged individualism who had been to hell and back, telling the tale as never before.

In his unforgettable autobiography, Johnny Cash tells the truth about the highs and lows, the struggles and hard-won triumphs, and the people who shaped him. In his own words, Cash set the record straight -- and dispelled a few myths -- as he looked unsparingly at his remarkable life: from the joys of his boyhood in Dyess, Arkansas to superstardom in Nashville, Tennessee,

the road of Cash's life has been anything but smooth. Cash writes of the thrill of playing with Elvis, the comfort of praying with Billy Graham; of his battles with addiction and of the devotion of his wife, June; of his gratitude for life, and of his thoughts on what the afterlife may bring. Here, too, are the friends of a lifetime, including Willie Nelson, Roy Orbison, Bob Dylan, and Kris Kristofferson. As powerful

and memorable as one of his classic songs, Cash is filled with the candor, wit, and wisdom of a man who truly "walked the line."

### **Best of Johnny Cash**

Phoenix  
 ABOUT THE BOOK Johnny Cash has lodged himself in the cultural imagination of America. His prolific career spanned many genres: country, rock and roll, blues, folk, hillbilly and carried him through decade after decade of artistic

production.  
Today, his  
musical  
influence can  
still be felt  
and heard in a  
wide variety of  
styles and  
genres.  
Perhaps most  
importantly,  
however, Cash  
managed to  
use his music  
to create a  
social and  
cultural  
persona a kind  
of modern-day  
Robin Hood  
allying himself  
with the  
oppressed,  
the romantic,  
the  
marginalized,  
the  
imprisoned,  
and the blue-  
collar workers  
of America.  
MEET THE

AUTHOR  
Charles Limley  
is a native of  
Colorado.  
After earning  
bachelors  
degrees in  
both English  
Literature and  
Humanities  
from the  
University of  
ColoradoBould  
er, he entered  
the world of  
professional  
writing. He  
began his

bicycle tours.

EXCERPT  
FROM THE  
BOOK In 1956,  
Cash released  
Get Rhythm,  
and the single  
climbed as  
high as  
number 23 on  
Billboards Hot  
Country  
Singles chart.  
It was  
originally  
released as  
the B-side to  
Cashes even  
more  
successful  
single, I Walk  
the Line, and  
then became  
the title track  
of a  
compilation  
album  
released in  
1969.  
According to  
Ezine Articles,  
its believed  
that it was

written for Elvis Presley (Best Johnny Cash Songs). Get Rhythm is often recognized as one of Cashes most upbeat songs that centers around optimism, but this reading of the song may be overly simplistic, however, since the songs story of a young African American shoeshine may be read as bringing up some sensitive racial issues (Ezine Articles, Best Johnny Cash Songs).

In writing about this song, Alice Randall poses the question: Racist, racist, or race appreciating? You decide. Maybe the grinning boy hides something worth knowing in his mask as well as behind his mask (Amazon, My Country Roots: The Ultimate MP3 Guide to Americas Original Outside Music).

**Best of Johnny Cash (Songbook)**  
Hal Leonard Corporation (Strum It (Guitar)).  
Features authentic chords, strum patterns, melody and lyrics for 17 complete songs (all in their original keys!) from

the legendary Man in Black. Includes: Big River * A Boy Named Sue * Busted * Come In, Stranger * Cry, Cry, Cry * Daddy Sang Bass * Five Feet High and Rising * Folsom Prison Blues * Hey, Porter * I Walk the Line * The Man in Black * Orange Blossom Special * Ring of Fire * So Doggone Lonesome * Tennessee Flat Top Box * and more. <i>The Johnny Cash Record Catalog</i> Fandom & Culture	A candid and moving memoir from the critically acclaimed singer and songwriter For thirty years as a musician, Rosanne Cash has enjoyed both critical and commercial success, releasing a series of albums that are as notable for their lyrical intelligence as for their musical excellence. Now, in her memoir, Cash writes compellingly about her upbringing in Southern California as	the child of country legend Johnny Cash, and of her relationships with her mother and her famous stepmother, June Carter Cash. In her account of her development as an artist she shares memories of a hilarious stint as a twenty-year-old working for Columbia Records in London, recording her own first album on a German label, working her way to success, her marriage to
---	--	--

Rodney Crowell, a union that made them Nashville's premier couple, her relationship with the country music establishment, taking a new direction in her music and leaving Nashville to move to New York. As well as motherhood, dealing with the deaths of her parents, in part through music, the process of songwriting, and the fulfillment she has found with her current husband and

musical collaborator, John Leventhal. Cash has written an unconventional and compelling memoir that, in the tradition of M. F. K. Fisher's *The Gastronomical Me* and Frank Conroy's *Stop-Time*, is a series of linked pieces that combine to form a luminous and brilliant whole. [Johnny Cash International](#) Penguin 'A brilliant story of an even more brilliant songwriter' Keith Richards

'Hilburn displays a deeply felt affinity with his subject' Patti Smith 'The definitive book on the roller-coaster life of Cash' Rick Rubin In *JOHNNY CASH: THE LIFE*, Robert Hilburn conveys the untarnished truth about a musical icon. Drawing upon his personal experience with Cash and a trove of never-before-seen material from the singer's inner circle, Hilburn creates an utterly compelling, deeply human

portrait of one of the most influential figures in modern popular culture. 'Johnny Cash ... Every man could relate to him, no man could be him, and only one man could get inside his head - Robert Hilburn' Bono 'A great story requires great storytelling, and that's exactly what it receives here' Charles Shaar Murray, LITERARY REVIEW *Citizen Cash* Hal Leonard Publishing Corporation Details the

late artist's life from 1986 to 1995, from being dropped from his record label following years of addiction, health ailments, and lackluster music sales to a revival of his career with the album, "American Recordings." **The Very Best of Johnny Cash (Songbook)** Univ. Press of Mississippi (Guitar Recorded Versions). 17 classics from the Man in Black transcribed note for note

with tab, including: Big River \* A Boy Named Sue \* Cry, Cry, Cry \* Daddy Sang Bass \* Folsom Prison Blues \* The Highwayman \* I Walk the Line \* Ring of Fire \* Tennessee Flat Top Box \* There You Go \* and more. *Johnny Cash's American Recordings* University of Arkansas Press These never-before-published poems by Johnny Cash make the perfect gifts for music lovers and fans alike.

Edited and introduced by Pulitzer Prize-winning poet Paul Muldoon with a foreword by John Carter Cash, this poetry collection is illustrated with facsimile reproductions of Cash's own handwritten pages. Now an album with music by Rosanne Cash, Brad Paisley, Willie Nelson, Kacey Musgraves, Elvis Costello, and more. Since his first recordings in 1955, Johnny Cash has been an icon in the music world.

In this collection of poems and song lyrics that have never been published before, we see the world through his eyes and view his reflection on his own interior reality, his frailties and his strengths alike. In his hallmark voice, he pens verses about love, pain, freedom, and mortality, and expresses insights on culture, his family, his fame, even Christmas. *Forever Words* confirms

Johnny Cash as a brilliant and singular American literary figure. His music is a part of our collective history, and here the depth of his artistry and talent become even more evident.

**Country Boy**  
SelfMadeHero  
"How the world shows it loves Johnny Cash:: a Brazilian records "Hurt" and posts it to YouTube;an elderly shopkeeper in Northern Ireland plays Johnny Cash every day on his tape

recorder ; a young man in Tomb, a farm town in southern Norway, sports a Johnny Cash tattoo; a woman in the Netherlands maintains the Johnny Cash Infocenter, an exhaustive resource of Johnny Cash materials worldwide-- and gets to wear June Carter's clothing and sleep in Johnny Cash's bedroom. One might have suspected that Johnny Cash's appeal was universal, given his

nonstop touring schedule for more than 40 years. But the breadth-and nuance-of his appeal worldwide is stunning, as is the way in which his fans have sought both to further that appeal as well as protect his legacy. International Cash: How the World Loves the Man in Black explores the nature of Johnny Cash's appeal worldwide from the fan perspective, explaining what the worldwide love of the

artist tells us about him, the world, the United States, and the nature of fandom. It's also a series of stories about technology and authenticity, as a world easily navigated by the Internet is also one that conceives authenticity as a type of commodity easily displayed. Different eras of technology have also produced different fan behaviours and activities, and they are

represented in continuity with one another here. There are Cash superfans who travel extensively to trail Cash's life and perform in homage to him, but there is also another population of Cash fans who express themselves more discreetly, often online. There they are often expressing their love for Cash in uncertain spaces, forums where there are no guarantees that everyone feels the same

way as themselves. Here Cash is seen as somebody not only worth admiring, but worth fighting for, and this book shows that Cash fandom is a more active field of politics and commitment than might routinely be assumed"--  
Johnny Cash - My Mother's Hymn Book  
 Dundurn  
 "Saints and sinners, all jumbled up together."  
 That's the genius of Johnny Cash, and that's what the

gospel is ultimately all about. Johnny Cash sang about and for people on the margins. He famously played concerts in prisons, where he sang both murder ballads and gospel tunes in the same set. It's this juxtaposition between light and dark, writes Richard Beck, that makes Cash one of the most authentic theologians in memory. In *Trains, Jesus, and Murder*, Beck explores the theology

of Johnny Cash by investigating a dozen of Cash's songs. In reflecting on Cash's lyrics, and the passion with which he sang them, we gain a deeper understanding of the enduring faith of the Man in Black.

**Johnny Cash - Best of the American Recordings**

Hyperink Inc  
The year 1994 marks the 40th anniversary of the start of the remarkable recording career of country music

performer Johnny Cash. This Catalog lists over 2,200 releases from around the world along with the contents of numerous extended-play albums, long-play albums, compact discs, and singles. A section is also devoted to "bootleg" material. This Catalog is a useful companion volume to the two discographies published earlier by Greenwood, which listed only a few of his "major"

releases. In terms of popularity, the music of Johnny Cash has spanned not only continents, but decades of fans.

The Resurrection of Johnny Cash Fleming H Revell Company  
On January 13, 1968, Johnny Cash (1932-2003) took the stage at Folsom Prison in California. The concert and the live album, At Folsom Prison, propelled him to worldwide superstardom. He reached

new audiences, ignited tremendous growth in the country music industry, and connected with fans in a way no other artist has before or since. Johnny Cash at Folsom Prison: The Making of a Masterpiece, Revised and Updated is a riveting account of that day, what led to it, and what followed. Michael Streissguth skillfully places the album and the concert in the larger context of Cash's

artistic development, the era's popular music, and California's prison system, uncovering new angles and exploding a few myths along the way. Scrupulously researched, rich with the author's unprecedented archival access to Folsom Prison's and Columbia Records' archives, Johnny Cash at Folsom Prison shows how Cash forever became a champion of the

downtrodden, as well as one of the more enduring forces in American music. This revised edition includes new images and updates throughout the volume, including previously unpublished material. Who Was Johnny Cash? Wesleyan University Press Johnny Cash seemed like the stuff of legend when he was alive, and even more so as he achieved something close to

sainthood in death. The interviews collected here bring us closer to the actual man: brilliant, fallible, introspective, and longing for redemption. Mythmaker, philosopher, sinner, and saint, Johnny Cash is perhaps the quintessential American icon. Though often rebellious and unruly, he rarely spoke without intention, sincerity, and a bit of poetry. Together with an introduction

by music critic Peter Guralnick, the interviews here spotlight that inimitable rhetorical style, and the fascinating diversity of subjects that made him as relatable as he was mysterious. From a hopped up early interview with Pete Seeger, to a meditation on sobriety, to the last interview in which he stares calmly into the face of death, this collection brings together

decades of insight as deeply profound as the unforgettable baritone of The Man in Black himself. **The Man Who Carried Cash** Da Capo Press, Incorporated The untold story of the making of Johnny Cash's most controversial album, *Bitter Tears* Linda Ronstadt Thomas Nelson An illustrated biography of Johnny Cash that tells his life story through

never-before-seen personal photographs and memorabilia from the Cash family Johnny Cash: The Life and Legacy of the Man in Black is a Cash biography like no other. It reveals Cash's personal and professional life through largely unpublished material from the Cash family, including his handwritten notes and set lists; personal photographs of Cash with his family, traveling, and performing

onstage; and beloved objects from his home and private recording studio. Alan Light, one of America's leading music journalists, traces Cash's story from his origins in rural Arkansas to his early recordings with Sun Records; from his battles with drug dependency and divorce to his romance with June Carter; and from his commercial musical successes, including At Folsom Prison

and American Recordings, to his death and legacy. The book also includes vignettes on four sustaining themes of Cash's life: his musical influences, his social justice advocacy, his relationship with June, and his religious beliefs. Rich and revealing, Johnny Cash: The Life and Legacy of the Man in Black is ideal for all those who want to learn more about the personal side of the beloved performer.

Johnny Cash at Folsom Prison Melville House Britain is widely considered the cradle of independent music culture. Bands like Radiohead and Belle and Sebastian, which epitomize indie music's sounds and attitudes, have spawned worldwide fanbases. This in-depth study of the British independent music scene explores how the behavior of fans, artists, and music industry professionals

produce a community with a specific aesthetic based on moral values. Author Wendy Fonarow, a scholar with years of experience in the various sectors of the indie music scene, examines the indie music "gig" as a ritual in which all participants are actively involved. This ritual allows participants to play with cultural norms regarding appropriate behavior, especially in the domains of sex and

creativity. Her investigation uncovers the motivations of audience members when they first enter the community and how their positions change over time so that the gig functions for most members as a rite of passage. *Empire of Dirt* sheds new light on music, gender roles, emotion, subjectivity, embodiment, and authenticity. *Quicklet on The Best Johnny Cash Songs*
