In 1956, a casual bet between two millionaires eventually pitted two of the greatest golfers of the era -- Byron Nelson and Ben Hogan -- against top amateurs Harvie Ward and Ken Venturi. The year: 1956. Decades have passed since Eddie Lowery came to fame as the ten-year-old caddie to U.S. Open Champion Francis Ouimet. Now a wealthy car dealer and avid supporter of amateur golf, Lowery has just made a bet with fellow millionaire George Coleman. Lowery claims that two of his employees, amateur golfers Harvie Ward and Ken Venturi, cannot be beaten in a best-ball match, and challenges Coleman to bring any two golfers of his choice to the course at 10 a.m. the next day to settle the issue. Coleman accepts the challenge and shows up with his own power team: Ben Hogan and Byron Nelson, the game's greatest living professionals, with fourteen major championships between them. In Mark Frost's peerless hands, complete with the recollections of all the participants, the story of this immortal foursome and the game they played that day--legendarily known in golf circles as the greatest private match ever played--comes to life with powerful, emotional impact and edge-of-your-seat suspense.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon.

There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Children have questions and struggles just like adults, but rarely are they given the chance to voice their concerns and ask the big questions resting deep in their hearts. In *Dear Pope Francis*, Pope Francis gives them that chance and celebrates their spiritual depth by directly answering questions from children around the world. Some are fun. Some are serious. And some will quietly break your heart. But all of them are from children who deserve to know and feel God's unconditional love. Also available in Spanish as *Querido Papa Francisco*.  I Can't Wait To Be Forgotten pays tribute to Kay's compassionate nature, her concern for others, her great contributions on behalf of those serving in the armed forces during World War II, and the financial legacy she contributed to The Seeing Eye. Kay felt that being of some service to others was far more important than focusing totally on promoting herself and a film career. Readers will be surprised to learn about the real Kay Francis in retirement. Her godsons paint a portrait of a woman who lived in the moment, and generated a great deal of loving warmth. Many rare, unpublished

photos from Kay's youth and retirement years are featured in her biography. Interviews from co-workers, friends and children of her ex's complete the picture of one of Hollywood's most glamorous and intriguing stars.

The dramatic events behind the film *Bridge of Spies*. *Bridge of Spies* is a gripping, entertaining, hair-raising and comical story, which moves effortlessly from the hardware of high-flying planes and new missiles to the geopolitics of the nuclear stand-off and through the poignant personal stories of its central protagonists: Powers, the all-American hero, blacklisted for not having killed himself on his descent to earth; a KGB spy who has spent aimless and lonely years achieving nothing in the US; and the opposing leaders Khrushchev and Eisenhower, both trapped in a spiral of confrontation neither wants. Telling the true story that inspired Le Carré's famous scene, *Bridge of Spies* is a brilliant take on the absurdity and heroism of the Cold War days that will appeal to a new generation of readers unfamiliar with the history but drawn in by the compelling and vividly recreated narrative.

We Did Everything But Win: An Oral History of the Emile Francis Era New York Rangers (1964–1976) is an entertaining account of one of the most exciting and unforgettable periods in the history of the Broadway Blueshirts as told by Francis as well as several of his players. George Grimm chronicles each season of the Francis era when "The Cat" transformed them from perennial league doormats to a team that made it to the Stanley Cup playoffs for nine consecutive seasons, including a Finals appearance in 1972. There are also chapters detailing Emile's playing career and his hiring as general manager as well as the aftermath of his dismissal and an analysis of his tenure behind the bench and as GM. It was during those years that the National Hockey League doubled in size and the Rangers moved into a brand-new Madison Square Garden. As the popularity of the National Hockey League skyrocketed, who could forget the Rangers' battles on the ice with Boston's Big Bad Bruins and Philadelphia's Broad Street Bullies and showdowns with the Montreal Canadiens and Chicago Black

Hawks? All the great moments are here including a heart-stopping, triple-overtime victory in the 1971 playoffs and Vic Hadfield's 50th goal the following season. *We Did Everything But Win* is a tribute to the Rangers of that era; Jacques Plante and Marcel Paille, Eddie Giacomin and Gilles Villemure, Harry Howell and Jim "The Chief" Neilson, "The Old Smoothies," the "G-A-G Line," and the "Bulldog Line." It's the story of colorful players with nicknames like "Boomer," "Stemmer," and "Sarge" and fan favorites such as Brad Park, Rod Gilbert, Jean Ratelle, Walt Tkaczuk. It's all here—the highs and the lows, the inspiring victories, the devastating losses, and the funny moments along the way.

dramatic expansion of a groundbreaking work of journalism, *The 1619 Project: A New Origin Story* offers a profoundly revealing vision of the American past and present. FINALIST FOR THE KIRKUS PRIZE • ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, NPR, *Esquire*, Marie Claire, *Electric Lit*, *Ms. magazine*, *Kirkus Reviews*, *Booklist* In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. *The New York Times Magazine's* award-winning "1619 Project" issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This new book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society,

from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This is a book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. To nine-year-old Willie Powell, there was no prettier sight than the smooth grass lawns of Edgewater Golf Course. He had been so eager to see them that he'd run seven miles to where the course was situated outside of town. But his elation didn't last. When he asked two golfers if they'd teach him the game, one man responded by saying, 'Son, didn't anyone ever tell you that your kind is not welcome here?' In the 1920's there was no place for Willie, or any black person, on a golf course. It was a game for white people only, at least in America. But his enthusiasm for golf and his belief in what he knew to be right drove Willie Powell to change that, and to change minds.

A true classic with a timeless message! All the other bulls run, jump, and butt their heads together in fights. Ferdinand, on the other hand, would rather sit and smell the flowers. So what will happen when Ferdinand is picked for the bullfights in Madrid? *The Story of Ferdinand* has inspired, enchanted, and provoked readers

ever since it was first published in 1936 for its message of nonviolence and pacifism. In WWII times, Adolf Hitler ordered the book burned in Nazi Germany, while Joseph Stalin, the leader of the Soviet Union, granted it privileged status as the only non-communist children's book allowed in Poland. The preeminent leader of Indian nationalism and civil rights, Mahatma Gandhi—whose nonviolent and pacifistic practices went on to inspire Civil Rights leader Martin Luther King, Jr.—even called it his favorite book. The story was adapted by Walt Disney into a short animated film entitled *Ferdinand the Bull* in 1938. *Ferdinand the Bull* won the 1938 Academy Award for Best Short Subject (Cartoons).

urban landscape of the grim and gritty genre in a definitive, highly illustrated volume. *Dark City* expands with new chapters and a fresh collection of restored photos that illustrate the mythic landscape of the imagination. It's a place where the men and women who created film noir often find themselves dangling from the same sinister heights as the silver-screen avatars to whom they gave life. Eddie Muller, host of Turner Classic Movies' *Noir Alley*, takes readers on a spellbinding trip through treacherous terrain: Hollywood in the post-World War II years, where art, politics, scandal, style -- and brilliant craftsmanship -- produced a new approach to moviemaking, and a new type of cultural mythology.

The engrossing memoir of a spirited and glamorous young fashion designer who survived World War II, with an afterword by her daughter, Helen Epstein. In the

summer of 1942, twenty-two year-old Franci Rabinek--designated a Jew by the Nazi racial laws--arrived at Terezin, a concentration camp and ghetto forty miles north of her home in Prague. It would be the beginning of her three-year journey from Terezin to the Czech family camp in Auschwitz-Birkenau, to the slave labor camps in Hamburg, and Bergen Belsen. After liberation by the British in April 1945, she finally returned to Prague. Franci was known in her group as the Prague dress designer who lied to Dr. Mengele at an Auschwitz selection, saying she was an electrician, an occupation that both endangered and saved her life. In this memoir, she offers her intense, candid, and sometimes funny account of those dark years, with the women prisoners in her tight-knit circle of friends. Franci's *War* is the powerful testimony of one incredibly strong young woman who endured the horrors of the Holocaust and survived.
