**Keaomelemele** Copyright Office, Library of Congress (Ukulele). This collection features 15 classic songs arranged by ukulele master, James Hill. In these remarkable arrangements, two distinct ukulele parts chord accompaniment and melody can be played in counterpoint at the same time by one player. The arrangements cater to both advanced beginner and experienced players and there is a warm-up section that introduces the player to the "Duets for One" concept. The book includes access to audio tracks online of all the arrangements performed by James Hill, for download or streaming, using the unique code inside the book. Songs are arranged for GCEA-tuned ukes and include: Georgia On My Mind \* Summertime \* Don't Get Around Much Anymore \* The Glory of Love \* Here Comes the Rain Again \* L-O-V-E \* Cheek

Alfred Publishing Company  
Merging anecdote and biography, autobiography and interviews, fact and fiction and a characteristically eclectic selection of music, David Toop spirals us through the 20th century's guilty fascination with exotica. Notions of the exotic have long inspired musicians across the musical spectrum, from classical to "easy listening" to rap - from Stravinsky to the Boo-Yah T.R.I.B.E. Exotica takes a look at some of the world's most witty, experimental and adventurous sound recordings while taking in the work of Les Baxter, the meaning of Carmen Miranda, leopard skin leotards, pink fluffy cubicles, elevator music, and more...  
Painstakingly researched and brilliantly insightful, Exotica includes interviews with Burt Bacharach, Ornette Coleman, Bill Laswell, YMO's Haroumi Hosono, Nusrat Fateh Ali Khan and The Boo-Yah Tribe.

Inspired and wildly imaginative, "Beethoven's Wig Sing Along Symphonies" are zany, stick-in-your-head lyrics set to masterpieces by great composers. The lyrics are filled with fact and fancy about the composers and their music opening a door to serious music that's fun. Each piece is carefully arranged for piano so that it's fun to play and sing along! BEETHOVEN'S WIG is the creation of Richard Perlmutter, who is the lyricist, lead singer and producer of the group's five albums. Beethoven's Wig has toured North America and performed at arts centers and with symphony orchestras. The group's recordings have won 50 awards including including four GRAMMY Nominations. They have also won Parent's Choice Awards, Teacher's Choice Awards and been designated as "Notable Recordings" by the American Library Association. CONTENTS: Beethoven's Wig (5th Symphony, Beethoven), Sing Verdi Very Loud (La donna é mobile, Verdi), Drip Drip Drip (Pizzicato from Sylvia, Delibes), Bull In A China Shop (Toreador Song from Carmen, Bizet), Haydn's Great Surprise (Surprise Symphony, Haydn), King and Queens of England (Trumpet Tune in D, Purcell), Stuck In The Saddle Again Light Cavalry Overture, von Suppé), Forever We're Marching (Washington Post March, Sousa), Tchaikovsky's Cannonball, Tchaikovsky), Midnight Snack (Habanera

This volume of essays honours the life and work of Stephen A. Wild, one of Australia's leading ethnomusicologists. Born in Western Australia, Wild studied at Indiana University in the USA before returning to Australia to pursue a lifelong career with Indigenous Australian music. As researcher, teacher, and administrator, Wild's work has impacted generations of scholars around the world, leading him to be described as 'a great facilitator and a scholar who serves humanity through music' by Andrée Grau, Professor of the Anthropology of Dance at University of Roehampton, London. Focusing on the music of Aboriginal Australia and the Pacific Islands, and the concerns of archiving and academia, the essays within are authored by peers, colleagues, and former students of Wild. Most of the authors are members of the Study Group on Music and Dance of Oceania of the International Council for Traditional Music, an organisation that has also played an important role in Wild's life and development as a scholar of international standing. Ranging in scope from the musicological to the anthropological—from technical musical analyses to observations of the sociocultural context of music—these essays reflect not only on the varied and cross-disciplinary nature of Wild's work, but on the many facets of ethnomusicology today.

(Book). In its listing of the "20 That Mattered," *Guitar Player* magazine

stated that "Jerry Byrd is the standard by which all steel guitarists must be measured." A fixture on the country scene, Byrd was a session player in Nashville in the mid-1940s and was influential in the development of the "Nashville Sound." He played on the hits of a who's who of legends, including Hank Williams ("Lovesick Blues" and "I'm So Lonesome I Could Cry"), Patsy Cline, Ernest Tubb, Red Foley, Marty Robbins, Chet Atkins, Guy Mitchell, Burl Ives and countless others; he now has the distinction of being the artist with the world's largest steel guitar discography. Later, as the head of Combine Music Publishing, Byrd was the first to sign Dolly Parton. Drawn to the music of Hawaiian steel guitarists, he went on to develop a style and invent tunings that would become synonymous with the instrument, becoming the first inductee into the Steel Guitar Hall of Fame. In 1972, Byrd headed for Hawaii, only to discover that the islands had turned their back on the instrument that gave them their signature sound. Thus, Byrd's mission became to reacquaint Hawaii with its own creation. His inspiration not only bridged country and Hawaiian music, but also secured the steel guitar's place in the 21st century. Featuring dozens of rare photos, *It Was a Trip, On Wings of Music* brings to light Byrd's life and times, opening up an important chapter in American musical history. *Famous Hawaiian Songs* University of Hawaii Press

*Lanikai* is a series of love stories presented in three parts spanning two generations. A Polynesian tapestry interwoven with a cast of characters that reveal the Hawaiian heart and spirit. It commences in 1959, the year Hawaii was admitted as the 50th state of the Union. Two best friends, Kaleinani

McClure and Puamana Richards, after many years of weathering their own storms, find true love. Their children grow to become adults and carry on the next generation as they fulfill their destinies in a lovely place overlooking the Mokulua Islands, cerulean blue waters and sparkling sands of Lanikai Beach. Lanikai Lanikai, reflections blue Turquoise, aquamarine, cerulean too; Waters reflect these colors well Where coral reefs and sea life dwell. Sunrise stunning in its dawn; Clouds pass by, but soon are gone Sunshine falls on sparkling sand. Palm trees sway upon the land. Across the ocean, Island's view: Of Flat Island, Mokulua and Mokumanu, Where birds retreat and find their peace, A sanctuary to increase. Beyond horizon, deeper blue The sunset bursts in radiant hue It's colors, orange, pink and gold, Over the waters, they unfold. Sometimes the moon, so large, will rise And light the night with glowing skies The moonlit waters, just as bright, Shine crystal throughout the night. Hear the waves, listen well, Above the crash of waves that swell, "Aloha! E komo mai. E komo mai. Aloha i ka aina e Lanikai.

For many years, Hawaiian Dictionary has been the definitive and authoritative work on the Hawaiian language. Now this indispensable reference volume has been enlarged and completely revised. More than 3,000 new entries have been added to the Hawaiian-English section, bringing the total number of entries to almost 30,000 and making it the largest and most complete of any Polynesian dictionary. Other additions and changes in this section include: a method of showing stress groups to facilitate pronunciation of Hawaiian words with more than three syllables; indications of parts of speech; current scientific names of plants; use of metric measurements; additional reconstructions; classical origins of loan words; and many added cross-references to enhance understanding of the numerous nuances of Hawaiian words. The English Hawaiian section, a complement and supplement to the Hawaiian English section, contains more than 12,500 entries and can serve as an index to hidden riches in the Hawaiian language. This new edition is more than a dictionary. Containing folklore, poetry, and ethnology, it will

benefit Hawaiian studies for years to come.

How many place names are there in the Hawaiian Islands? Even a rough estimate is impossible. Hawaiians named taro patches, rocks, trees, canoe landings, resting places in the forests, and the tiniest spots where miraculous events are believed to have taken place. And place names are far from static--names are constantly being given to new houses and buildings, streets and towns, and old names are replaced by new ones. It is essential, then, to record the names and the lore associated with them now, while Hawaiians are here to lend us their knowledge. And, whatever the fate of the Hawaiian language, the place names will endure. The first edition of Place Names of Hawaii contained only

1,125 entries. The coverage is expanded in the present edition to include about 4,000 entries, including names in English. Also, approximately 800 more names are included in this volume than appear in the second edition of the Atlas of Hawaii.
