ENRIQUE SHYANN

Nevada Simon and Schuster
NEW YORK TIMES BESTSELLER Opposites do more than just attract in USA Today bestselling author Toni Aleo's latest Nashville Assassins novel about a very bad boy and the good girl he can't resist. The instant Piper Allen sees Erik Titov, she wants him—wants his rock-hard body, sure, but the strength and mystery that lie behind that superstar hockey jock demeanor, too. So when he sidles up to her at a bar and slinks his arm around her waist, she's lost. What follows is the wildest night of her life . . . followed by inevitable heartbreak the next morning. And then, a few weeks later, a very big surprise: two blue lines on a pregnancy test. Only a check to the head could make Erik fall for a nice girl like Piper. But since their crazy-sexy night together, he's been trying to forget about her alluring body by falling into bed with every woman in Nashville, and it's not working. So when Piper shows up at his house with a baby-bomb to drop, it doesn't take much for Erik to suggest the nuclear option: marriage. While it's supposed to be all for show, the second they say "I do," the ice between them starts to melt into sizzling steam. Praise for Toni Aleo's Nashville Assassins romances "Aleo melts the ice and hits it into the net with her Assassins series."—Award-winning author Jami Davenport "Taking Shots is really the whole package. You get romance, humor, steamy sex, drama, and then it all wraps up with a great conclusion. I am amazed that this is Toni's first book. She has come out in a huge way. I can't wait to read more from her. Don't hesitate for a moment to grab this book."—Guilty Pleasures Book Reviews "A little steamy, a little heartbreaking, and a whole lot of fanning yourself are in order this time around, readers. Are your cheeks feeling a little pink yet? Get used to the feeling."—Dreaming in the Pages, on Trying to Score "Empty Net is an honest, heartwarming, endearing story. . . . Toni Aleo doesn't just write a story. She gives

you the ability to experience the journey of her characters right along with them. Her stories are enveloped with passion, emotion, humor, love; and let me tell you, that girl knows how to write a sex scene that just makes you sweat!"—Guilty Pleasures Book Review "Sexy and riveting . . . the perfect combination of love and lust."—USA Today bestselling author Heidi McLaughlin, on Blue Lines "Funny, charming, sweet, sexy . . . [Falling for the Backup] has everything you want in a story."—Blushing Reader Uggie--My Story White Wolf Pub Whakapapa. You belong here. Whakapapa is a Maori word which embodies our human need to belong. It represents a powerful spiritual idea - we are all part of an unbroken and unbreakable chain of people who share a special culture. Owen Eastwood places this concept at the core of his methods to maximise a team's performance. In this book he reveals, for the first time, the secrets to what has made him one of the most in-demand Performance Coaches in the world. Aspects of Owen's unique approach include: finding your identity story; establishing a shared purpose; fostering player leadership rather than dictatorship; seeking the clarity of a collective why; establishing a sense of legacy; recognizing our primal need for social bonding; embracing ancestral wisdom; analyzing the link between confidence and trust; treasuring the value of humility. BELONGING will not just make you a better team member - it will make you a better human being. Heartless King Penguin She's my enemy...and my mate. For two hundred years, I've been the second in command to the Vampire King. It's my job to predict threats before they happen...but I never saw her coming. Valor Moorehouse isn't just the daughter of our greatest enemy, she's a real pain in the ass, and according to the mark that just appeared—my mate. My head warns me against her captivating eyes, her sharp tongue, her delectable scent. But my heart? It demands to protect and claim. I'm everything she was raised to hate, and she's everything I can't trust. She wants

me to help rescue her cousin, but we're in the middle of an all-out war, and we're seriously outnumbered. Valor's inside information may be the key to stopping the enemy...if I can trust her. And if I can't... I just might be walking into the deadliest trap of my immortal life. Winger Start Publishing LLC Two hot hockey playersA complete misunderstanding...And an unplanned pregnancyI should have known they were different people.It was so stupid of me not to notice.But Tucker's hands set my skin of fire as much as Trent's.Tuck whispered sweet things that made me want more.Trent did this sexy thing that made my toes curl.And I was lost to them, without even knowing it.I fell hard, but only one of them owned my heart.Only one of them loved me back.And I was hoping it was the right guy...As I stared down at the blue lines on the pregnancy test. Keeping Kane is a full-length standalone novel, complete with hot hockey players, plenty of laughs, and a HEA. There is absolutely no cheating. White Trash Face-Office Legacy When Agent Rx, chronic criminal and fugitive, goes off on a dust binge, he hits rock bottom and hits the road, leaving a trail of tears, violence and infamy in his wake. Meanwhile, Jordan Strong uncovers a highly classified method of time travel under the fixed scrutiny of various government agencies and chapters of the occult all coveting his guinea pig tits 'n appeal. Enlisting Rx's blue-collar bred double helix for tedium and accumulation of detail, they exploit parallel realities and paradoxical time lines to mine a collaborative novel transcribed from the voices of the dead. They stage the Phenotypical Exploitation, a kidnapping of Jane Bale and subsequent sale to NYC's dance music circuit, purveyor of drugs, sex and art. But their interests unravel when Agent Rx tries to reverse engineer the domestic trial of the century, bringing the novel, its author and the Exploitation's fatally erotic subject into notoriety for dollars on retrograde dimes. Together, they embark on a literary crusade of self-sabotage that threatens to fall off the cutting edge of a techno thriller,

picaresque odyssey and log of skeletons. An upscale Polish call girl develops a posthumous reputation as the poster child for the right to die movement. The simultaneous advances in medical science and life expectancy coincide with the human colonization of Mars. A transgendered stick-up thug pulls off a career robbery, befriends a US President, gets used by the CIA, and becomes a father. A media star attempts to change her image. Paranormal visitations threaten the sanity of hard drug addicts, all the while a support group for movement disorders braces as a roundtable therapeutic free-for-all. Is a telephonic method of time travel the real deal, or an exploitation in itself, a device for dredging up juice from a cold vein? This is the story of two men among hundreds of ghosts and trees, from Cuba in the 1930s to New York in 2046. I know folks from the rust belt to the dust bowl who've never seen these trees. Go see them. You owe it to yourself.

Belonging MCD x FSG Originals

After a drunken hookup, I never thought I would see Tucker again... until he strolls into my classroom like he owns the school. He handed out orgasms like it was his job. Now, it's my turn to grade him. I'm a teaching assistant until the end of the semester. A position I scored because I'm a goody-two-shoes. Not the girl who sleeps with smoking hot hockey players. But he's failing the class, and I can help him pass. So we come to an agreement. One that ends with us breaking all the rules... And if I'm not careful, my heart. Each book in the Face-Off Legacy Series is a full-length standalone novel that can be read in any order, complete with a HEA, hot hockey players, and plenty of laughs. Scroll up to get your copy today!

Jocking Jameson Face-Office Legacy

A radical anthropologist studies the global justice movement.

Axel Penguin

Gamer. Lover of comic books. Nerd-jock who will do anything to score. That about sums up Jameson O'Connor. He's also my friend. One of the few people on campus who knows my secret. I don't know what I was thinking when I kissed him. I must have lost my mind when I asked him on a date... or agreed to cook for his teammates. I never expected to fall for him. But Jamie knew every button to press. Every level to hit. And he scored every time... until a threat from his past changed everything. Jocking Jameson is a full-length standalone novel, complete with hot hockey players, plenty of laughs, and a HEA. Scroll up to get your copy today!

How to Be Invisible Face-Office Legacy
I'm the Seattle Shark's newest Bruiser. The fighter. The protector. On the ice, I end the battles others start. Off the ice, I'm just trying to keep my name out of the tabloids. After all, that's what got me traded from Ontario. Donating to a Big Brother program for the good press was easy. But then I meet Elliot, the ten-year-old spitfire who lives for sarcasm and hockey, and I can't help but volunteer to mentor her. That is, if her mom will let me. I've wanted Shea Lansing from the moment we met last season. She's an incredible single mom. Sexy, sharp, stubborn, and hates hockey almost as much as she despises violence:

A.K.A. *me*. Her past is darker than mine, and she'll do anything to ensure it never touches her daughter. Mentoring Elliot has Shea and I crossing paths—and wires. Our connection is electric. Undeniable. Unstoppable. But when her past comes back to haunt her, I'll have to lay everything on the line to keep them. I'm used to violence on the ice, but fighting for what I love? That's a whole different kind of game. One that could ruin us in the end.

The Sand Pebbles Createspace

Independent Publishing Platform

One of Vogue's Best Books of 2022 So Far, BuzzFeed's Summer Books You Won't Be Able To Put Down, Book Riot's Best Summer Reads for 2022, and Dazed's Queer Books to Read in 2022 "[Nevada] is defiant, terse, not quite cynical, sometimes flip, addressed to people who think they know. It is, if you like, punk rock." —The New Yorker "Nevada is a book that changed my life: it shaped both my worldview and personhood, making me the writer I am. And it did so by the oldest of methods, by telling a wise, hilarious, and gripping story." —Torrey Peters,

author of *Detransition, Baby* A beloved and blistering cult classic and finalist for the Lambda Literary Award for Transgender Fiction finally back in print, Nevada follows a disaffected trans woman as she embarks on a cross-country road trip. Maria Griffiths is almost thirty and works at a used bookstore in New York City while trying to stay true to her punk values. She's in love with her bike but not with her girlfriend, Steph. She takes random pills and drinks more than is good for her, but doesn't inject anything except, when she remembers, estrogen, because she's trans. Everything is mostly fine until Maria and Steph break up, sending Maria into a tailspin, and then onto a cross-country trek in the car she steals from Steph. She ends up in the backwater town of Star City, Nevada, where she meets James, who is probably but not certainly

trans, and who reminds Maria of her younger self. As Maria finds herself in the awkward position of trans role model, she realizes that she could become James's savior—or his downfall. One of the most beloved cult novels of our time and a landmark of trans literature, Imogen Binnie's Nevada is a blistering, heartfelt, and evergreen coming-of-age story, and a punk-smear excavation of marginalized life under capitalism. Guided by an instantly memorable, terminally self-aware protagonist—and back in print featuring a new afterword by the author—Nevada is the great American road novel flipped on its head for a new generation.

Crimson Highlander Back Bay Books

There's one bed and she's my best friend... For over two centuries, I've been the king's assassin—his master of combat. It's my job to strategize and to train potential warriors, but I've never looked at any of them the way I look at Olivia—my best friend. She's all subtle curves, rich chocolate eyes, and as deadly as she is sexy. With a new war knocking at our borders, the king orders us to awaken the Hunters—six of the world's most lethal vampires. Olivia's family has guarded them for almost as long as she's kept her secret from her parents: She's not some docile, mated lady-in-waiting, she's actually a royal bodyguard. But to convince her archaic family to wake the Hunters, Olivia has to come home with her mate. No problem. How hard can it be to fake it for a couple of weeks? But the line between pretending and reality quickly gets blurred. The longer we play the part, the more I realize that Olivia and I are a perfect match. Now I'm not only battling a nefarious plot against us, but my own primal urges to claim Olivia. I might be the most lethal vampire on the planet, but she's the only one who can bring me to my knees. And when I'm forced to choose between my heart and my duty, everything we've worked for could come crashing down.

Keeping Kane Simon and Schuster

I'm the Seattle Sharks' power player. Some call me the Wheeler. That's because I score on and off the ice more than any other Shark. Well, until her. The one girl I've wanted for years. And her brother just convinced me to hire her as my personal assistant. Faith Gentry. Sharp. Sexy. Funny as hell. My best friend's little sister. Now that I'm her boss, she's twice as off-limits. And I'm twice as screwed. Having Faith near me 24/7? It's a torture I never knew existed. She sees me like no one else, and that mouth of hers? More than kissable. Our banter is quick, our chemistry hotter than hell, but if we cross that line-

Her brother will kill me. I'll lose my best friend, rip our hockey team apart, and I could lose my stay-in-the-states insurance. My wheeler past could turn everything I've worked for to ash. But the more time I spend with Faith, the harder I fall. And this might be worth taking everything I have coming to me.

Crack the Case System is a complete training program, covering every aspect of the infamous "case interview" favored by top management consulting firms and a growing number of Fortune 500 companies. David Ohrvall's step-by-step approach combines practical instruction on structuring, analytics and communication, as well as insider tips and insights gained from training thousands of candidates. CTCS includes over 150 bonus videos on mbacase.com, 42 practice cases, homework and drills. About the author: David Ohrvall is the global expert on the topic of case interviews. A dynamic and sought-after speaker, he trains several thousand MBAs and undergraduates each year at premiere business schools around the world, including Wharton, Stanford, Harvard Business School, Chicago Booth, Duke's Fuqua School of Business, INSEAD, Oxford and Cambridge. David also has an extensive private coaching practice that has helped launch hundreds of candidates into consulting, venture capital, and a variety of industries. David is a former management consultant (Bain & Company), and a graduate of the Wharton School (MBA & undergrad). Learn more about David at www.mbacase.com.

Uncle Walt AK Press

Gage McPherson was the Seattle Shark's best Grinder, until he shattered his shoulder last season. Time heals all wounds...but the heartbroken single dad has more than his share of trust issues. The playboy only lets one girl close to his iced-over heart--his pint-sized daughter who's the center of his world. She's the only thing more important to him than hockey, and he trusts no one with her...except me. We've been friends since we were kids, and I love his daughter like she's my own, so what's the easiest solution to help Gage out? Move in and be his live-in nanny for the season. As far as she goes, the arrangement is perfect. But her drop-dead-sexy father? Frustrating on every possible level. There is a thick, professional line drawn between us by his own hand, and despite understanding the

terms, my body is practically begging him to cross it. Our chemistry is off the charts, but one misstep, and we could hurt the one person we love most. This game is all-or-nothing. Can I risk my heart on a guy who is known for the shut-out, on and off the ice?

Kane Macmillan

For most of us, privacy means an unlisted telephone number. But what about your Social Security number? Your credit card numbers? Your bank account statements? Your personal health data? You may think this information is also secure, but if you've ever ordered anything over the Internet, or if your credit card is on file at the local video store just in case you never return that copy of Titanic, or if you throw out bank statements without shredding them, then this information is now in the public domain and can easily be discovered and used against you by a private eye, a computer hacker, or even a vengeful neighbor or former lover. Once people gain control of even a shred of your personal information, they can gain control of your life. They can transform this information into access to your assets, your loved ones, even your identity. And once your privacy is gone, there's very little you can do to get it back. J. J. Luna, a highly trained and experienced security consultant, can show you how to achieve the privacy you crave, whether you just want to shield yourself from casual scrutiny or take your life savings and disappear without a trace. He reveals the shocking secrets that private detectives use to uncover information, and then shows you how to safeguard against them. Filled with vivid real-life stories drawn from the headlines and from Luna's own consulting experience, *How to Be Invisible* is the essential guide to preserving your personal security. Privacy is commonly lamented as the first casualty of the Information Age-- but that doesn't mean you have to stand for it.

Crimson Warrior McGraw-Hill

Humanities/Social Sciences/Languages
He has an ego the size of his... stick. Six years after entering the NHL, my past still haunts me. But everything changes when I meet a feisty sports reporter who challenges me at every turn. I should leave her alone and spare her the drama that comes with my life outside the rink. But I can't keep my hands off her. So, we make a deal. She wants an exclusive that could expose my secrets to the world, secrets that are not just mine. When I'd agreed to the interview, I had every intention for it to end with her in my bed. But I didn't expect the quirky blonde who writes about hockey players and their big

sticks to hit me the hardest.

Human Nature Thomas Dunne Books

As the Seattle Sharks number one Enforcer, nothing means more to me than hockey. I live and breathe the game. But when my short-temper gets me into one too many late night brawls, Coach threatens to bench me if I don't clean up my act. It'll take more than me changing my nightlife--the media needs this bad boy to go good. Paige Turner--the gorgeous, off-limits best friend of my bro's fiancée--has the solution. About to take over as acting CEO of her family's multi-billion-dollar corporation, she'll have to sign a morality clause basically kissing any wild-life she wanted goodbye. Her proposition? I, Rory Jackson--the panty dropper and bed hopper of the Sharks--give her an exclusive relationship for three entire months. Her wholesome image will only brighten my dark one in the press' eyes, and I can help her check off some wicked naughty tasks on her very specific dirty-girl bucket list. If I screw up and get arrested again, she'll lose everything she's worked her entire life for, but what terrifies me most? At the end of the three months, I won't want to let her go, and with that morality clause--she can't keep me.

Three Years in a Twelve-Foot Boat Loveswept

The NHL's been at my door since I was 18. But I'd never leave the Swedish Hockey League--Not while raising my little brother. But now he's grown and the Carolina Reapers show up with my greatest weakness: Langley Pierce, their new head of PR. I've never been able to say no to her. She's fierce, independent, and the sexiest woman I've ever met. She also has a stubborn streak wider than my entire country. One comment from her smart mouth about never dating again, and I propose. No, really, I actually propose: A six-month marriage contract in exchange for signing with the Reapers. I want to date this woman so badly that I'm going to marry her first. I'll use each day to show her how a queen should be treated. Our wedding day started a countdown I'm powerless to stop, and the faster the months fly, the harder I fall. She's sworn she'll never choose a man over her career, and I promised never to ask her to. Until I'm forced to. How can we move forward when we started this whole thing backwards? If I can't convince her

this marriage is anything but fake—The next document we sign will crush us both.

Welcome to the Carolina Reapers, Samantha Whiskey's newest hockey series

where the chill of the ice meets sultry southern nights. --Back cover.
