The Prayer Ministry of the Church *Living Stream Ministry*

The Christian life seemingly involves many outward matters and things, such

as baptism, the breaking of bread, worship, praise, prayer, forgiveness, humility, and love for one another. As such, it is easy to focus on these things but miss the spiritual reality behind them. This reality is the Holy Spirit. Apart from the Holy Spirit, who is the Spirit of reality, all of these things, no matter how faithfully practiced, are merely outward conduct that is devoid of any real

inward spiritual content.

Watchman Nee's Testimony

Living Stream Ministry

This volume was originally published in Chinese in 1938. In it the author outlined the nature of New Testament Christianity as seen in the establishment of local churches and the corporate life of a community of believers who function together in a biblical manner. Its influence was felt

immediately throughout all of China and much of the rest of Asia. There was a great demand for an edition in English, so the author made the translation himself and it was published under the title, *Concerning Our Missions*. But at that time its message made no extensive penetration into North America. Today, however, there is an increasing hunger for reality in

Christian experience, and for renewed power and life among groups of believers who long to be a local expression of the Body of Christ. To all such Watchman Nee has a message, with his gifted insight into the Word of God and his experimental knowledge of life in the Spirit. *How to Study the Bible* CLC Publications These messages cover the primary and crucial aspect

of the Lord's recovery of the truth today—to recover the dispensing of the Triune God as life into His redeemed people in order that He may be fully expressed on the earth. [Ministering to the House Or to God](#) Living Stream Ministry Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years. Through these

volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated. This new compilation and retranslation of Watchman Nee's writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader's understanding of Watchman Nee's ministry. -- The Spiritual Man Living

Stream Ministry In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation

concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing

Himself into
His chosen
and redeemed
people; the
second
principle is
that we should
interpret,
develop, and
expound the
truths
contained in
the Bible with
Christ for the
church; and
the third
governing
principle is
Christ, the
Spirit, life, and

The Bible is
the inspired
word of God,
and every
believer
should study it
in order to
know the rich
and vast
content of
God's divine
provisions.
When God
speaks, He
does so
through His
established
eord.
Therefore, we
must study
the Bible in a
proper way in
order to let
the word of
God dwell
richly in our
hearts. In
order to study
the Bible, we
first must be
proper

persons, having passed through the necessary spiritual training under the Lord's leading and guiding. We must also use the right methods. Many good books have been printed on how to study the Bible, but most pay attention only to methods of studying the Bible; They do not pay enough attention to the person who studies the Bible. Even with the right methods, we can

receive very little in our study of the Bible if Our person is not proper before the Lord. *What Shall This Man Do?* Living Stream Ministry Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years.
