How to Tame a Fox (and Build a Dog) Nature Stories

This delightful little story tells of a young girl's time with her grandmother as she relates a legend of how a mischievous little white fox, with all his grand adventures, became the red fox we all know today. How the Fox got His Color may well become an all-time children's classic and a perfect book for the young reader. English as a second language students will enjoy it as a valuable study tool, as well as those learning a foreign language. There are between 7 and 13 main regional groups of Chinese (depending on classification scheme), of which the most spoken, by far, is Mandarin with about 850 million speakers. The Chinese language has over 1 million speakers in the United States. Romanization is the process of transcribing a language into the Latin script. There are many systems of Romanization for the Chinese languages due to the lack of a native phonetic transcription until modern times. Chinese is first known to have been written in Latin characters by Western Christian missionaries in the 16th century. Today the most common Romanization standard for Standard Chinese is Hanyu Pinyin. The entire Chinese character corpus since antiquity comprises well over 20,000 characters, of which only roughly 10,000 are now commonly in use. However Chinese characters should not be confused with Chinese words; since most Chinese words are made up of two or more different characters, there are many times more Chinese words than there are characters. Our translator, Bin Hu, brings a range of culturally nuanced vocabulary from his unique life experiences to his translations. He was raised in old Beijing and worked in the professional capital. Due to his diverse life experience, he understands a range of Chinese from formal classic Mandarin to street slang. He has replicated his rural-urban mix of lifestyles in the U.S., living in Arizona ranching country and Washington, D.C. This range of lifestyles has gifted him with an equal range of vocabularies, situational terms, and phrases in both languages and cultures. Thank you Bin for your willingness to help us bring children's books to Chinese speakers. As well as including the Pinyin in your translations.

John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's Book.

How the Fox Got His Color Running Press Kids

Worlds collide in a spectacular way when Newbery and National Book Award finalist Kathi Appelt and Pulitzer Prize nominee and #1 New York Times bestseller Alison McGhee team up to create a fantastical, heartbreaking, and gorgeous tale about two sisters, a fox cub, and what happens when one of the sisters disappears forever. Sylvie and Jules, Jules and Sylvie. Better than just sisters, more than best friends, they'd be identical twins if only they'd been born in the same year. And if only Sylvie wasn't such a fast—faster than fast—runner. But Sylvie is too fast, and when she runs to the river they're not supposed to go anywhere near to throw a wish rock just before the school bus comes on a snowy morning, she runs so fast that no one sees what happens...and no one ever sees her again. Jules is devastated, but she refuses to believe what all the others believe, that—like their mother—her sister is gone forever. At the very same time, in the shadow world, a shadow fox is born—half of the spirit world, half of the animal world. She too is fast—faster than fast—and she senses danger. She's too young to know exactly what she senses, but she knows something is very wrong. And when Jules believes one last wish rock for Sylvie needs to be thrown into the river, the human and shadow worlds collide. Writing in alternate voices—one Jules's, the other the fox's—Kathi Appelt and Alison McGhee tell the searingly beautiful tale of one small family's moment of heartbreak, a moment that unfolds into one that is epic, mythic, shimmering, and most of all, hopeful.

When an injured fox (crippled by a steel-jawed trap) hobbled into Cherie Mason's yard one morning, it was the start of a special and unusual relationship. The young fox had every reason to fear humans, yet was won over by Cherie's persistent gentleness—and the tidbits from her kitchen. For half a year he was a regular visitor and became something of a celebrity in the small Maine community. Yet he always remained a wild fox. He hunted his own food and interacted with other foxes. This is Cherie Mason's poignant story of how she befriended a wild creature, knowing that his instincts would soon lead him away forever. Suffused with gentle wonder, *Wild Fox* speaks to the deep human longing to span the gulf between species.

This Caldecott Honor book from beloved illustrator Peter Spier is a spirited take on a classic American folk song. "[Spier's] finely detailed, action-packed New England autumn vistas are almost startlingly beautiful."—The New York Times Over fifty years after he won a Caldecott Honor for *The Fox Went Out on a Chilly Night*, legendary illustrator Peter Spier went back to this time-honored favorite in 2014 to paint the half of the book that was originally printed in black and white. In this glowing, restored vision of Spier's beloved classic, follow the wily fox as he roams a sleepy New England town in search of a meal, with tones and textures so vivid you can almost hear the crackle of crisp fall leaves and the ripples of the river in the moonlight.

Meet Mr. Fox, who loves books so much that every time he finishes one, he eats it (with a little salt and pepper, of course)! His insatiable appetite drives him to seek more and more books, until one day, he discovers the local library, where he can devour books to his heart's content. Eventually, the librarian catches him sampling from the collection and bans him from the library. Down on his luck, the crafty Mr. Fox must find other ways to satisfy his cravings. His attempt to rob the local bookstore, however, ends badly. Arrested for stealing, Mr. Fox lands in jail, where he discovers a surprising way to satisfy his literary cravings (and become rich and famous). With its deft combination of humor and whimsy, "*The Fox Who Ate Books*" is a tongue-in-cheek approach to promote a love of books and reading. The ever-inventive, wily Mr. Fox is the perfect anti-hero whose antics are guaranteed to make young readers laugh, while the play on words will delight older children. "
