JOSEPH NATALEE

Systematic Theology Harvest House Publishers

The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith. Examining nearly every key issue, person, and concept related to Christian apologetics, this book clarifies difficult biblical passages, clearly explains various philosophical systems and concepts, examines contemporary issues and challenges, and offers classic apologetic arguments, all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics. An expertly abridged version of the Baker Encyclopedia on Christian Apologetics, this resource brings leading apologist Norman L. Geisler's seminal work to the masses.

[Bringing Your Faith to Work](#) Baker Books

Understanding the New Testament is a daunting but exciting task. Our world is so different from that of the first century. Yet it is important to understand the context and content of the New Testament if we are to be faithful followers. Now in paper, this survey addresses the who, what, where, when, why, and how questions that readers of the Bible may have, such as: How can we tell if what is written in the New Testament is true history or just mythology? When were these books written and why? and What can today's believers get out of letters addressed to people who lived two millennia ago? Written in an easy, informal style, this survey is accessible and enjoyable to anyone who wants to better understand the New Testament.

Chosen But Free Oxford University Press, USA

These apologetics are tailor-fit to those who seek to express or defend their faith in the workplace.

Systematic Theology Christian Focus

The concluding volume of Robert Jenson's 'Systematic Theology' considers the work of God, examining the nature and role of God and God's works of creation.

[The Historical Reliability of the New Testament](#) Baker Academic

The perfect introductory textbook, this simplified study of logic prepares readers to reason thoughtfully and to spot illogic in an argument.

[Systematic Theology](#) InterVarsity Press

A Concise Summary of Biblical Truth by John MacArthur Doctrine not only equips you with more knowledge about God, it also shapes your affections toward him and directs your actions for him—but it can be difficult to know where to begin. This concise handbook, developed from John MacArthur's larger work *Biblical Doctrine*, is an entry point for studying theological topics such as the Bible, the Holy Spirit, the church, and more. As MacArthur walks through the essentials of the Christian faith doctrine by doctrine, he'll not only encourage your heart and mind, but also empower you to proclaim the faith that was "once for all delivered to the saints" (Jude 3).

[Can We Still Believe in the Rapture?](#) Baker Books

Readers will find a new way of looking at the message and miracles of Christ and will be revived by Christ's caring approach to dealing with doubters.

Chosen But Free Bethany House

Does the Bible support the concept of "once saved, always saved," or can a person lose his or her salvation? Among the most hotly debated topics in the history of Christian theology has been the perseverance of the saints. How do the Scriptures portray the complex interplay between grace and free will? These and related questions are explored from different angles in this thought-provoking Counterpoints volume. The contributors each state their case for one of four prominent views on eternal security: Classical Calvinist – presented by Michael S. Horton Moderate Calvinist – presented by Norman L. Geisler Reformed Arminian – presented by Stephen M. Ashby Wesleyan Arminian – presented by J. Steven Harper In keeping with the forum approach of the Counterpoints series, each view is first presented by its proponent, then critiqued and defended. This fair and respectful approach allows you to weigh for yourself the strengths and weaknesses of the different doctrinal stances. By furnishing you with scholarly and thoughtful perspectives on the topic of eternal security, this book helps you sift through opposing views to arrive at your own informed conclusions.

[Popular Survey of the Old Testament](#), A Wipf and Stock Publishers

One in every four Americans believes in reincarnation according to a recent Gallup poll. Why does our society have such a growing preoccupation with death and past-life experiences? Authors Norman L. Geisler and J. Yutaka Amano conclude that among the reasons for the popularity and influence of reincarnation philosophy are the rapid rise of the New Age Movement and society's fascination with Eastern thought. They examine cases of spontaneous past-life recall and point out alternative explanations for these phenomena. Ultimately, 'The Reincarnation Sensation' shows that the doctrine of reincarnation is contrary to the Bible's teaching about eternal life and incompatible with the Christian faith.

[Spinoza: Theological-Political Treatise](#) Baker Academic

The authors of this weighty survey of Christian thought cover a wide range of topics important to twenty-first century Christians, from the life of Jesus Christ to the ethics of biomedicine. Original.

The Reincarnation Sensation Baker Books

A culmination of decades of study, teaching, and research. This is truly a systematic theology for the twenty-first century.

A Popular Survey of the New Testament Zondervan Academic

Robert Culver wrote *Systematic Theology* with the goal of creating a treasure trove for the student of the Bible. No previous knowledge of theology demanded, this volume is written in an essentially readable way and is the perfect core to the library of anyone who loves to learn. Subjects include: the doctrine of God, the doctrine of man as created, the doctrine of man as fallen, the doctrine of salvation, the doctrine of last things, and the doctrine of Christ.

New Dictionary of Theology InterVarsity Press

Well-organized presentations of most of the significant philosophical positions make this book an excellent reference tool.

Come, Let Us Reason Baker Publishing Group

The Christian church has a long tradition of systematic theology, that is, of studying biblical teaching on centrally important doctrines such as the Word of God, redemption, and Jesus Christ. Wayne Grudem's bestselling *Systematic Theology* has several distinctive features: A strong emphasis on the scriptural basis for each doctrine Clear writing, with technical terms kept to a minimum A contemporary approach, treating subjects of special interest to the church today A friendly tone, appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross-reference subjects to a wide range of other systematic theologies.

Answering Islam Zondervan Academic

From the earliest days of the church, Christians have struggled with questions related to unity and the handling of doctrinal differences. In this book you'll find clear guidance from Scripture about the doctrines on which it's essential for Christians to agree, and the doctrines on which believers can graciously agree to disagree. This landmark resource will equip you to take an uncompromising stand on the essentials of the faith while promoting love and unity among true believers. Book jacket.

Introduction to Philosophy Crossway

Love Your Neighbor is a concise introduction to Christian ethics. It begins with a look at the biblical basis for morality, defines and describes various philosophical approaches to the subject of ethics, then connects biblical morality with the idea of absolute truth in philosophy. The book then moves from its philosophical basis to a practical application of Christian ethics, considering a wide range of social, biomedical, and personal issues. It does not take a partisan or denominational approach to these issues, but squarely faces them with an open mind and open Bible. The book is based on sound biblical and philosophical reasoning and does not tell readers what to think but encourages them to think

biblically and critically through these issues.

Correcting the Cults Wm. B. Eerdmans Publishing

Spinoza's *Theological-Political Treatise* (1670) is one of the most important philosophical works of the early modern period. In it Spinoza discusses at length the historical circumstances of the composition and transmission of the Bible, demonstrating the fallibility of both its authors and its interpreters. He argues that free enquiry is not only consistent with the security and prosperity of a state but actually essential to them, and that such freedom flourishes best in a democratic and republican state in which individuals are left free while religious organizations are subordinated to the secular power. His *Treatise* has profoundly influenced the subsequent history of political thought, Enlightenment 'clandestine' or radical philosophy, Bible hermeneutics, and textual criticism more generally. It is presented here in a translation of great clarity and accuracy by Michael Silverthorne and Jonathan Israel, with a substantial historical and philosophical introduction by Jonathan Israel.

Baker Encyclopedia of Christian Apologetics Wipf and Stock Publishers

Bestselling author and apologist takes on one of the most difficult questions Christians face. How can an omnipotent, loving God preside over a world filled with evil and suffering? The author's approach is concise, systematic, and clearly communicated, just what Geisler fans have grown to expect. In addition to relying on time-tested solutions to the problem of evil, the author also presents a compelling new way to think about this puzzle.

Christian Ethics Ignatius Press

Compares the major tenets of Islam and Christianity, evaluating the Islamic faith from a Christian viewpoint while providing apologetic answers that prepare Christians for ministry in an Islamic context, offering in a second edition a new preface written in light of the September 11 attacks. Original.

The Big Book of Christian Apologetics Baker Books

"Respected author, seminary professor, and apologist presents a moderate view of divine sovereignty vs. human responsibility. In the third edition he addresses current debate surrounding freewill and destination, including response to critics"--Provided by publisher.
