MASON EVERETT

Reincarnation in America

Sidgwick & Jackson
This new Pariyatti Edition of the classic Buddhism in a Nutshell is an excellent introductory overview of the fundamental principles of Buddhist doctrine. Topics covered include: the life of the Buddha, the Dhamma (Is it a philosophy? A religion? An ethical system?), the Four Noble Truths, the Law of Karma, Rebirth, Dependent Origination, Anatta, and Nibbana. Recommended for beginners.

Inside the Other Side ARE Press

An assemblage of personal histories from Edgar Cayce's files provide an introduction to the laws of reincarnation

and Karma
Many Mansions Buddhist Publication Society
Her most controversial book is one you will never forget. An outspoken thinker, a celebrated actress, a truly independent woman, Shirley MacLaine goes beyond her previous two bestsellers to take us on an intimate yet powerful journey into her personal life and inner self. An intense, clandestine love affair with a prominent politician sparks Shirley MacLaine's quest of self-discovery. From Stockholm to Hawaii to the mountain vastness of Peru, from disbelief to radiant affirmation, she at last discovers the roots of her very existence. . . and the infinite possibilities of life. Shirley MacLaine opens her heart to explore the meaning of a great and enduring passion with her lover

Gerry; the mystery of her soul's connection with her best friend David; the tantalizing secrets behind a great actor's inspiration with the late Peter Sellers. And through it all, Shirley MacLaine's courage and candor new doors, new insights, new revelations—and a luminous new world she invites us all to share. Venture Inward Penguin
“I have known Sylvia for twenty years, and I have the greatest respect for her....I applaud her for the peace and solace that she has brought to so many.”
—Montel Williams
The world's most acclaimed psychic, Sylvia Browne, the New York Times bestselling author of *Life on the Other Side*, *All Pets Go to Heaven*, *Contacting Your Spirit Guide*, and more, returns with a rare and riveting look at the lives of some of our favorite celebrities—after their deaths. How do Elvis

Presley, Heath Ledger, John Lennon, and others view their time on Earth? After they have shuffled off this mortal coil, what wisdom do they wish to send back to us? Sylvia Browne's moving look at these once larger-than-life heroes is a captivating voyage into the secrets they hold beyond the void.

We Don't Die Harper Collins

In *Past Lives of the Rich and Famous*, Sylvia Browne, the renowned New York Times bestselling author and reigning queen of psychics provides a rare and riveting look at the (often very surprising) lives some of our most beloved celebrities experienced in the past—before our own time. Unlike any other book she has written, *Past Lives of the Rich and Famous* explains what happens before birth. With assistance from her spirit guide, Francine, she offers a unique new look at more than fifty beloved celebrities, including Steve Jobs, Amy Winehouse, Elizabeth Taylor, Michael Jackson, Whitney Houston, and Martin Luther King Jr. Browne does not just reveal what celebrities were doing in their past

lives, but also makes a spiritual connection between what they did then and what they did now. She also tells us whether this is a celebrity's final life, or whether he or she will continue the journey into future lives.

The Vaccine Book

Signet

Imaginative story about a being who we first meet in Atlantis. As he progresses through each of his seven lives, he experiences new circumstances and situations each designed to provide a new ribbon of knowledge and perspective. During his procession he has the opportunity to interact in a variety of relationships with other beings, some that he has known previously. At the end of each life he finds himself in a place of pure whiteness, the bridge, where there is no body, only thoughts and a guide helping him to reflect upon what he has learned and determine whether it is time to make use of his understanding in another, mysterious way. I absolutely loved *Seven Bridges*! It drew me in from the first chapter and as I finished each one I couldn't wait to get to the next to see where it would go. I was intrigued

by the way each chapter was unique to itself, yet followed his journey in a surprising and unexpected way. I loved the different settings and time periods and I felt like I was there with him. The book was quick to read, with enough details to understand what was going on and who he was interacting with, but not so much that I got bogged down in details. I didn't want the story to end, I hope there's another *Seven Bridges* that he has to cross!?

Positive Magic Pariyatti Publishing

Another extraordinary story of life on a South African game reserve from the authors of *The Elephant Whisperer*. Lawrence Anthony's South African game reserve is home to many animals he has saved, from a remarkable herd of elephants to a badly behaved bushbaby called George. Described as "the Indiana Jones of conservation", when one of his rhinos was brutally slaughtered for her horn, he didn't hesitate to lead an armed response against the poachers. Then he learned that there were only a handful of northern white rhinos left in the wild, living in an area of the Congo

controlled by the infamous Lord's Resistance Army and soon to be hunted into extinction. Lawrence knew he had to take action. What followed was an extraordinary adventure, as he headed into the jungle to negotiate with the rebels, while battling to save his own animals from terrible drought and to save the eyesight of his beloved elephant matriarch Nana. The Last Rhinos is peopled with unforgettable characters, both human and animal, and is a sometimes funny, sometimes moving, always exciting read.

Buddhism in a Nutshell
Doubleday

This collection of case studies, taken from the files of the late clairvoyant Edgar Cayce, explores the concept of reincarnation in terms of the beliefs of Christianity. Many Mansions ARE Press Many people are finding themselves at the mercy of anxiety attacks, panic, overwhelming fear, and depression. Fear comes in a variety of intensities and seems to have a number of causes. Every individual has had to face fear at one time or another. It is the cause of fear and how we respond to that fear that sets us

apart as individuals. This book explores them all and provides practical tools for overcoming the anxieties associated with deeply felt fears.

Out on a Limb Signet Book

Francis Story's interest in cases of rebirth memories finally led him to assist Dr. Ian Stevenson in tracing, investigating, and studying such cases in Sri Lanka, Thailand, and India. The present book contains Story's essays on the theme of rebirth as well as case studies that he undertook in collaboration with Professor Stevenson, the foremost American investigator of reported rebirth memories. These case studies, which make fascinating reading, lend strong evidential support to the hypothesis of rebirth and thus help to illuminate the ultimate questions concerning human destiny after death.

Seven Bridges Harper Collins

The Akashic Records, also known as "The Book of Life," are the storehouse of all information for every individual who has ever lived upon the earth. Every word, deed, feeling, thought, and intent that ever occurred are contained within.

Todeschi takes you on a journey to understanding how you are in charge of shaping your own destiny with additional instruction on how you can tap into your own records—your past lives, your present experiences, and your future—to create the life you desire now.

Edgar Cayce on Overcoming Fear and Anxiety ARE Press

In this uplifting commentary, best-selling author John Van Auken reveals the simple yet profound path that takes one from living in the grind of karma to the light and peace of grace. Using the foundation of spiritual living found in the psychic readings of Edgar Cayce, Van Auken weaves a tapestry of love and light, of freedom from karmic reactions, of hope and happiness.

The Return of Edgar Cayce ARE Press

Depression: The Way Out of Your Prison gives us a way of understanding our depression which matches our experience and which enables us to take charge of our life and change it. Dorothy Rowe shows us that depression is not an illness or a mental disorder but a defence against pain and fear, which we can use whenever we suffer a

disaster and discover that our life is not what we thought it was.

Depression is an unwanted consequence of how we see ourselves and the world. By understanding how we have interpreted events in our life we can choose to change our interpretations and thus create for ourselves a happier, more fulfilling life. *Depression: The Way Out of Your Prison* is for depressed people, their family and friends, and for all professionals and non-professionals who work with depressed people. *Depression* River's Edge Media, LLC

One of the most fascinating topics found in the readings of famed psychic Edgar Cayce (1877-1945) revealed the existence of a sacred sect called the Essenes. His information about the Essenes would later be confirmed by the discovery of the Dead Sea Scrolls two years after his death. Cayce's readings contained more than a description of who the Essenes were and their purpose in bringing the Christ into the earth, he gave us details about their lives and past lives! Many of these Essenes reincarnated during Cayce's time and received

readings that revealed their souls—including their purposes then and now. What can we learn from these readings and the reincarnation of the Essenes? There is so much about our origin, our soul group, and the purpose for which we are here on earth today in this latest book that it is like having a manual for soul growth. Ideals, practices, and guiding principles held by these ancient ones are as valuable to us today as they were then.

From Karma to Grace

The story of Ruth Simmons, who while under hypnosis recants the story of the life of Bridey Murphy under the care of one of the leading hypnotherapist of the day.

Edgar Cayce on the Akashic Records
Signet
A new edition of the landmark, worldwide

bestseller on the life of the famed medical clairvoyant and founding father of the New Age: Edgar Cayce. Edgar Cayce (1877-1945) is known to millions today as the grandfather of the New Age. A medical clairvoyant, psychic, and Christian mystic, Cayce provided medical, psychological, and spiritual advice to thousands of people who swore by the effectiveness of his trance-based readings. But Cayce was not always a household name. When a young, skeptical journalist named Thomas Sugrue first met Cayce in 1927 the world had not yet heard of the "sleeping prophet." During years of unique access, Sugrue completed his landmark biography, which on its publication in 1942 brought national attention to Cayce and stands as the sole record written during the seer's lifetime. This edition includes a new introduction by historian Mitch Horowitz that highlights the enduring significance of Cayce's message and the role this book played in its dissemination. *Many Lifetimes* Little, Brown Spark
This is a completely new version of *Positive Magic*,

the classic compendium of magic for personal use that has been a popular favorite for more than 25 years. With updates of Wiccan history, philosophy, tools, and techniques, it also contains a wealth of entirely new material. Addressing the needs of today's readers - beginners and adepts alike-this edition explores new territory which

includes: channeling, spirit contact, dealing with the future as well as the past, and the connection between quantum physics and traditional magic.

The Last Rhinos Quest Books

To live life fully and die serenely—surely we all share these goals, so inextricably entwined. Yet a spiritual dimension is too often lacking in the attitudes, circumstances, and rites of death in

modern society. Kapleau explores the subject of death and dying on a deeply personal level, interweaving the writings of Western religions with insights from his own Zen practice, and offers practical advice for the dying and their families.

The Zen of Living and Dying Bantam

Meditation from the vital fundamentals to the most sophisticated techniques.
