Heart Breathings is a fitting title for a book where words are only the vessel that somehow endeavors to hold, and show forth, the breathings of the spirit that is not flesh. There is a frustration when yearnings beyond words find themselves clothed in the only medium that can cause them to be tangible to others. These poems are the roarings and sighings and longings of the inarticulate soul trying to create a substance through which to transmit its feelings to others. Paul Ravenhill."

Refusing to take up the Cross thwarts the Holy Spirit from doing what is necessary to work His will through us. Do you want to join the front lines of a new generation of prophetic evangelism? Then discover how dying-to-self is what ushers in an anointing that makes the unbeliever take notice of God's glory.

In The Azusa Street Mission and Revival, Cecil M. Robeck, Jr. brings to bear expertise from decades of focused study in church

history to reveal the captivating story of the Apostolic Faith Mission in Los Angeles, which became known as the Azusa Street Mission. Sometimes the largest blaze begins with the tiniest spark. At the dawn of the twentieth century, William J. Seymour, the son of Louisiana slaves, began meeting with a tiny congregation in a two-story wooden building in downtown Los Angeles. What began as a spontaneous gathering of believers quickly grew into a passionate revival and renewal of the work of the Holy Spirit. The movement spread at breathtaking speed. With little more than a printing press, a trolley stop, and a powerful message, the spiritual fire emanating from the Apostolic Faith Mission on Azusa Street rapidly crossed strict cultural and national borders—into Mexico, Canada, Britain, Scandinavia, Africa, India, and China. Led by William J. Seymour, the revival became the catalyst for the modern Pentecostal movement. Today, the more than 500 million Christians who identify as Pentecostal or Charismatic can trace the roots of their faith to this humble beginning at Azusa Street. The Azusa Street Mission and Revival tells the full story of how this uniquely diverse and inclusive group grew into a powerful movement that forever changed the landscape of Christianity.

Rad-i-cal: Of or relating to the origin or root. New and different from what is traditional or ordinary. Of change or action, relating to or affecting the fundamental nature of something; far-reaching or thorough. Gone are the days when men walked into church and shook under the convicting power of God's presence. Instead, our dull, dry-eyed preaching tends to comfort the sinner and condone his sin. We need a return to the original New Testament type of praying and preaching. The early Church moved heaven and earth by their prayers; they changed hearts by their preaching. Peter's message on the day of Pentecost

pierced his listeners to the heart. This word "pierced" is the same used when the soldier drove his spear into the side of Jesus, on the cross. Following the day of Pentecost, the disciples prayed for confidence and the place where they were gathered was shaken. They were filled with the Holy Spirit and spoke the Word of God boldly. If you want to find out how, then read RADICAL.

The reason why many never access certain dimensions of God is because that dimension is reserved for servants. One of it is illumination and direction. Until you become a servant, you will never have access to true light (Rev 1:1, Joshua 1:1). Even Paul, the very one who taught us sonship and dominion in Christ calls himself a bond servant. Paul rejoiced at the excellency of being called a servant than being called an apostle. At the end of his life, he looked and said he was the least of the apostles and that it was a privilege for him to have served.
