Cited by the Nobel Prize committee as the “crown” of Heinrich Böll’s work, the gripping story of *Group Portrait With Lady* unspools like a suspenseful documentary. Via a series of tense interviews, an unnamed narrator uncovers the story—past and present—of one of Böll’s most intriguing characters, the enigmatic Leni Pfeiffer, a struggling war widow. At the center of her struggle is her effort to prevent the demolition of her Cologne

apartment building, a fight in which she is joined by a motley group of neighbors. Along with her illegitimate son, Lev, she becomes the nexus of a countercultural group rebelling against Germany’s dehumanizing past under the Nazis ... and what looks to be an equally dehumanizing future under capitalism. *Gastrins and the Vagus*

to his dying day? After his  
death, a young woman  
happens to meet his third

curiosity is aroused. Her

Her search brings to light many surprises as she uncovers a story with far-reaching implications for Hirschfelder's posthumous reputation. The English Years is a brilliant novel which combines the literary invention of Paul Auster with the European cultural sensibility of W.G. Sebald."

Neo-Latin poetry have

Danish Renaissance  
literature in Latin has  
since the 1980s been the

presents some of the  
central authors, such as  
Hans Jrgensen Sadolin,

articles offer sensitive  
readings with an eye to  
intertextual allusions as  
well as to the sociological  
context. The articles  
which were originally

*After 1945* Wentworth

What is the legacy that humankind has been living with since 1945? We were once convinced that time was the agent of change. But in the past decade or two, our experience of time has been transformed. Technology preserves and inundates us with the past, and we perceive our future as a set of converging and threatening inevitabilities: nuclear annihilation, global warming, overpopulation. Overwhelmed by these

horizons, we live in an ever broadening present. In identifying the prevailing mood of the post-World War II decade as that of "latency," Gumbrecht returns to the era when this change in the pace and structure of time emerged and shows how it shaped the trajectory of his own postwar generation. Those born after 1945, and especially those born in Germany, would have liked nothing more than to put the catastrophic events and explosions of the past behind them, but

that possibility remained foreclosed or just out of reach. World literatures and cultures of the postwar years reveal this to have been a broadly shared predicament: they hint at promises unfulfilled and obsess over dishonesty and bad faith; they transmit the sensation of confinement and the inability to advance. After 1945 belies its theme of entrapment. Gumbrecht has never been limited by narrow disciplinary boundaries, and his latest inquiry is both far-ranging

and experimental. It combines autobiography with German history and world-historical analysis, offering insightful reflections on Samuel Beckett and Paul Celan, detailed exegesis of the thought of Martin Heidegger and Jean Paul Sartre, and surprising reflections on cultural phenomena ranging from Edith Piaf to the Kinsey Report. This personal and philosophical take on the last century is of immediate relevance to our identity today.

Wolfgang Koeppen's postwar masterpiece in a luminous new translation by the poet Michael Hofmann  
*Pigeons on the Grass* is told over a single day in Munich in 1948.

The first new cinemas and insurance offices are opening atop the ruins, Korea and Persia are

keeping the world in panic, planes rumble in the sky (but no one looks up), newspaper headlines announce war over oil and atomic bomb tests.

Odysseus Cotton, a black man, alights at the station and hires a porter; Frau Behrend disowns her daughter; with their interracial love affair, Carla Behrend and Washington Price scandalize their neighbors—who still expect gifts of chocolate and coffee; a boy hustles to sell a stray dog; Mr. Edwin, a visiting poet,

prepares for a reading; Philipp gives himself up to despair; Emilia sells the last of her jewelry; Alexander stars as the Archduke in a new German Super-production; and Susanne seeks out a night to remember. In Michael Hofmann's words, "in their sum, they are the totality of existence." Koeppen spares no one and sees all in this penetrating and intense novel that surveys those who remain, and those who have just arrived, in a damaged society. As inventive as Joyce and as

compulsively readable as Dickens, Pigeons on the Grass is a great lost classic. Contemporary Austrian Writings Pumpkin House Company Erickson proves an exciting new voice in American poetry. Her subject matter spans the width between a lone Ferris wheel at a county fair, where "Coal dust fine and black as pulverized midnight,/covers everything for miles', to the vagaries of aging in the face of youth, when the speaker used to jump

'out of bed, sleek as an otter,/sliding down the day'. Yu Lan, Flying Boy of China Wentworth Press Dr. Walker lays out his program on how to become younger which he partly defines as having all or most of the attributes of youth, health, energy, vitality and perpetual laughter on the lips and in the eyes. The key to accessing both more energy and more vitality lies in changing our eating, drinking, and living habits. Dr. Walker encourages people to

develop a very definite philosophy he calls Right Thinking, which is maintaining a positive outlook and positive thoughts about themselves and others. Together with the other principles outlined in his program, he offers readers knowledge that gives them the courage to make the changes

necessary. Readers are given a brief yet concise introduction to different parts of our anatomy and how these systems work for and against us, depending upon the food we consume. Dr. Walker recommends changing old eating habits to include natural, nourishing foods. The use of juicing, fasting,

and eating natural, organic foods in their unprocessed forms, including mostly raw fruits and vegetables, play an important role in maintaining good health. Through his personal observations, experience, and knowledge, Dr. Walker provides the information needed to stay younger.
