*LIVING LANGUAGE* Los Angeles : Landers Associates

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

Hints to Untrained Teachers: being directions and suggestions for the assistance of parents and others engaged in home education John Wiley & Sons

Spanish Picture Dictionary Pictures, Coloring, Quizzes, Spelling and more... You know you've never learned Spanish like this before! Learning a new language is a new way of meeting new people, opening doors in your professional career and attracting fresh opportunities when traveling around the world, as you may know. Spoken by over 500 million across every continent (even in Antarctica!), Spanish is the second-most spoken native language on the planet, so learning it will blow up your social and business circles! Yet, sometimes learning a new language can be complicated and even, well, boring... well, we're about to change that! We have created a whole new method and concept behind learning Spanish. A method based on fun. Say hello to the Spanish Picture Dictionary Coloring Book, the book that will change Spanish learning forever. In this amazing book, you will find: Over 50 different, detailed and beautiful full-size illustrations for you to learn while coloring them! **She Reads Truth** Barcharts

Remembering May Fourth: The Movement and its Centennial Legacy discusses a wide range of issues concerning the relations between politics and memory, writing and ritualizing, fiction and reality, and theory and practice within the context of the May Fourth movement.

Living Languages Cambridge University Press

A Frequency Dictionary of French is an invaluable tool for all learners of French, providing a list of the 5000 most frequently used words in the language. Based on a 23-million-word corpus of French which includes written and spoken material both from France and overseas, this dictionary provides the user with detailed information for each of the 5000 entries, including English equivalents, a sample sentence, its English translation, usage statistics, and an indication of register variation. Users can access the top 5000 words either through the main frequency listing or through an alphabetical index. Throughout the frequency listing there are thematically-organized lists of the top words from a variety of key topics such as sports, weather, clothing, and family terms. An engaging and highly useful resource, the Frequency Dictionary of French will enable students of all levels to get the most out of their study of French vocabulary. Deryle Lonsdale is Associate Professor in the Linguistics and English Language Department at Brigham Young University (Provo, Utah). Yvon Le Bras is Associate Professor of French and Department Chair of the French and Italian Department at Brigham Young University (Provo, Utah).

American Monthly Knickerbocker Greenwood Publishing Group

Have you been trying to learn French and simply can't find the way to expand your vocabulary? Do your teachers recommend you boring textbooks and complicated stories that you don't really understand? Are you looking for a way to learn the language quicker without taking shortcuts? If you answered "Yes!" to at least one of those previous questions, then this book is for you! We've compiled the 2000 Most Common Words in French, a list of terms that will expand your vocabulary to levels previously unseen. Did you know that - according to an important study - learning the top two thousand (2000) most frequently used words will enable you to understand up to 84% of all non-fiction and 86.1% of fiction literature and 92.7% of oral speech? Those are amazing stats, and this book will take you even further than those numbers! In this book: A detailed introduction with tips and tricks on how to improve your learning A list of 2000 of the most common words in French and their translations An example sentence for each word - in both French and English Finally, a conclusion to make sure you've learned and supply you with a final list of tips Don't look any further, we've got what you need right here! In fact, we're ready to turn you into a French speaker... are you ready to get involved in becoming one?

**French Words** AuthorHouse

Using an original mode of presentation, the 'textbite', this book seeks to approach the French vocabulary from as many angles as possible - showing how French words are constructed, the difficulties inherent in defining a word, the relationships words enter into, their origins, and recent trends in word formation. Examples and exercises are provided throughout.

Webster's Collegiate Dictionary B&H Publishing Group

The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most

exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book The Way of The Linguist, A language learning odyssey, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: [www.thelinguist.com](http://www.thelinguist.com).

*Webster's Collegiate Dictionary* Createspace Independent Publishing Platform

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two

characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

*Spanish Picture Dictionary Coloring Book*

LIVING LANGUAGE is 25 essays on many aspects of a big subject. It is authoritative, by the long-time president of The American Society of Geolinguistics (ASG). ASG was founded in 1965 by Mario A. Pei for the study of language in action in the modern world as it affects culture, commerce, politics, personal and national identity, and indeed the whole macrosociolinguistic picture. ASG publishes the journal *Geolinguistics* and holds an annual international conference and it publishes the proceedings of participants from Europe, Asia, Australia, Central America, US, UK, etc. From those and other sources along with some brand new materials here is a variety of essays, presented in a familiar style, chiefly on American and British English but also English as the world's second language, and more. This book is wide-ranging, wise, witty, opinionated, deeply researched, useful, & controversial.
