NICKOLAS HATFIELD

The Death of a President Greenwood Publishing Group
NOW A NATIONAL BESTSELLER New York Times bestselling authors Dan Abrams and David Fisher bring to life the incredible story of one of America's most publicized—and most surprising—criminal trials in history. No crime in history had more eyewitnesses. On November 24, 1963, two days after the killing of President Kennedy, a troubled nightclub owner named Jack Ruby quietly slipped into the Dallas police station and assassinated the assassin, Lee Harvey Oswald. Millions of Americans witnessed the killing on live television, and yet the event would lead to questions for years to come. It also would help to spark the conspiracy theories that have continued to resonate today. Under the long shadow cast by the assassination of America's beloved president, few would remember the bizarre trial that followed three months later in Dallas, Texas. How exactly does one defend a man who was seen pulling the trigger in front of millions? And, more important, how did Jack Ruby, who fired point-blank into Oswald live on television, die an innocent man? Featuring a colorful cast of characters, including the nation's most flamboyant lawyer pitted against a tough-as-Texas prosecutor, award-winning authors Dan Abrams and David Fisher unveil the astonishing details behind the first major trial of the television century. While it was Jack Ruby who appeared before the jury, it was also the city of Dallas and the American legal system being judged by the world.
JFK University of North Texas Press

An all-encompassing analysis of the assassination of JFK and its surrounding conspiracy theories draws on forensic evidence, key witness testimonies, and other sources to explain what really happened and why conspiracy theories have become so popularized.

"The President Has Been Shot!": The Assassination of John F. Kennedy Simon and Schuster

William Manchester's epic and definitive account of President John F. Kennedy's assassination--now restored to print in a new paperback edition. As the world still reeled from the tragic and historic events of November 22, 1963, William Manchester set out, at the request of the Kennedy family, to create a detailed, authoritative record of the days immediately preceding and following President John F. Kennedy's death. Through hundreds of interviews, abundant travel and firsthand observation, and with unique access to the proceedings of the Warren Commission, Manchester conducted an exhaustive historical investigation, accumulating forty-five volumes of documents, exhibits, and transcribed tapes. His ultimate objective -- to set down as a whole the national and personal tragedy that was JFK's assassination -- is brilliantly achieved in this galvanizing narrative, a book universally acclaimed as a landmark work of modern history.

Four Days in November Boston : Houghton Mifflin

In *End of Days*, James L. Swanson, the New York Times bestselling author of *Manhunt: The 12-Day Chase for Lincoln's Killer*, brings to life the minute-by-minute details of the JFK assassination—from the Kennedys' arrival in Texas through the shooting in Dealey Plaza and the shocking aftermath that continues to reverberate in our national consciousness fifty years later. The assassination of John F. Kennedy on November 22, 1963, has been the subject of

enduring debate, speculation, and numerous conspiracy theories, but Swanson's absorbing and complete account follows the event hour-by-hour, from the moment Lee Harvey Oswald conceived of the crime three days before its execution, to his own murder two days later at a Dallas Police precinct at the hands of Jack Ruby, a two-bit nightclub owner. Based on sweeping research never before collected so powerfully in a single volume, and illustrated with photographs, *End of Days* distills Kennedy's assassination into a pulse-pounding thriller that is sure to become the definitive popular account of this historic crime for years to come.

The Kennedy Detail Harlequin

SSuggests that John F. Kennedy was assassinated because military leaders feared his dedication to peace would result in the United States falling to Russia

LIFE The Day Kennedy Died CreateSpace

A New York Times Editors' Choice Pick "Kennedy and King is an unqualified masterpiece of historical narrative.... A landmark achievement."---Douglas Brinkley, New York Times bestselling author of *Rosa Parks* Kennedy and King traces the emergence of two of the twentieth century's greatest leaders, their powerful impact on each other and on the shape of the civil rights battle between 1960 and 1963. These two men from starkly different worlds profoundly influenced each other's personal development. Kennedy's hesitation on civil rights spurred King to greater acts of courage, and King inspired Kennedy to finally make a moral commitment to equality. As America still grapples with the legacy of slavery and the persistence of discrimination, Kennedy and King is a vital, vivid contribution to the literature of the Civil Rights Movement.

Four Days Simon and Schuster

"A minor classic in its laconic, spare, compelling evocation by a participant of the shifting moods and maneuvers of the most dangerous moment in human history."—Arthur M. Schlesinger, Jr. During the thirteen days in October 1962 when the United States confronted the Soviet Union over its installation of missiles in Cuba, few people shared the behind-the-scenes story as it is told here by the late Senator Robert F. Kennedy. In this unique account, he describes each of the participants during the sometimes hour-to-hour negotiations, with particular attention to the actions and views of his brother, President John F. Kennedy. In a new foreword, the distinguished historian and Kennedy adviser Arthur Schlesinger, Jr., discusses the book's enduring importance and the significance of new information about the crisis that has come to light, especially from the Soviet Union.

The Last Days of Marilyn Monroe W. W. Norton & Company
'Poignant, fascinating, entertaining and informative ... reminds us exactly how much did happen in that time span and of how many tantalising hints he left behind' Financial Times
'Brilliantly captures Kennedy's entire life through the prism of his final months ... the hero, like the devil, is in the detail' Mark Mason, Spectator, Books of the Year
'Wonderfully vivid' Dominic Sandbrook, Sunday Times
'A vivid portrait of Kennedy as an immensely complex human being: by turns detached and charismatic, a hard-nosed politician and a closet romantic, cautious in his decision making but reckless in his womanizing' Michicko Kakutani, New York Times
'A superb piece of writing - richly detailed and, considering that the end is all too well known, surprisingly enthralling' Frank Gannon, Wall Street Journal
'The great merit of Clarke's account is that it encompasses both sides of Kennedy: the statesman and the chancer; the moralist and the opportunist' David Runciman, New Statesman
'A superb book ... has the ominousness of a Shakespearean tragedy' Roger Lewis, Daily Mail
Kennedy's Avenger Simon and Schuster

Jim Quinn is living out his last days in a cabin on Flathead Lake. He is a former CIA operative who is in the late stages of lung cancer. I make his acquaintance when I arrive to spend a week at my grandfather's cabin next door. I offer to take him fishing on the lake and he begins to talk about his past. Late that afternoon, we get caught in a thunder storm and have to spend the night on a small island. As we sit in the rain under a makeshift shelter, Jim explains the details of the assassination of John F. Kennedy. He

reveals who was behind the plot and who carried out the action in Dallas. He also explains the cover up and the many suspicious deaths of witnesses.....During the next few days, Jim Quinn provides me with a detailed background of the murder of President Kennedy. Like other leaders who were eliminated in Latin America, Africa and Asia, John Kennedy was simply another head of state who would not play ball with our military industry and multinational corporations. He could not be bribed and he could not be threatened. For his courage, he paid the ultimate price.....Jim Quinn also has background information on all the key players of the era, from Richard Nixon and Lyndon Johnson to J. Edgar Hoover. He explains the reason for the Bay of Pigs failure which leads to the outright disdain for John Kennedy by the CIA and the Joint Chiefs of Staff. When Kennedy opens a dialog with Khrushchev to try and end the Cold War, he is seen as a traitor in military circles. When the young president decides to withdraw from Vietnam, his days are numbered.....In the course of our conversations, Jim exposes the assassinations of Martin Luther King and Robert F. Kennedy. He explains how a former CIA psychiatrist worked with Sirhan Sirhan and possibly, James Earl Ray. Jim Quinn leaves me with this information along with a pile of documents and outlines.....I decide to go to Dallas. I am surprised by the number of people I find who still have a story to tell. I spend several days in Dealey Plaza and try to figure out the sightlines of the ambush as Jim had described it. In the end, I have no reason to doubt the confession of a dying man.

A Thousand Days Scholastic Inc.

Lawrence J. Haas explores how the Kennedy brothers reshaped America's empire for more than six decades after World War II.
Kennedy's Last Days Penguin

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

No More Silence Little, Brown

This New York Times bestseller by the veteran government operative lays out the theory that LBJ orchestrated the JFK assassination. Consummate political insider Roger Stone makes a

compelling case that Lyndon Baines Johnson had the motive, means, and opportunity to orchestrate the murder of John F. Kennedy. Stone maps out the case that Johnson blackmailed his way on the ticket in 1960 and was being dumped in 1964 to face prosecution for corruption at the hands of his nemesis attorney, Robert Kennedy. Stone uses fingerprint evidence and testimony to prove Kennedy was shot by a long-time Johnson hit man—not Lee Harvey Oswald. Johnson would use power from his personal connections in Texas, from the criminal underworld, and from the United States government to escape an untimely end in politics and to seize even greater power. In *The Man Who Killed Kennedy*, you will find out how and why he did it.

The Last Days of John Lennon Simon and Schuster

A dramatic historical narrative of the events surrounding the death of the 35th president is set against the backdrop of an escalating Cold War and describes the many political challenges Kennedy was facing before his assassination, in an account that also describes Lee Harvey Oswald's story and the events surrounding his death.

JFK's Last Hundred Days Twelve

Documents the events leading up to and following the assassination of the thirty-fifth president as revealed by the Secret Service agents who were present, in an account that also draws on letters written by Jackie Kennedy in the immediate aftermath and other previously undisclosed sources.

Two Days in June Macmillan

A former Secret Service agent recounts his shared experiences with the former First Lady before and after her husband's death, discussing the birth of John, Jr., and Jackie's first encounters with Aristotle Onassis.

John F. Kennedy and Israel Strategic Book Publishing & Rights Agency

An oral history of the assassination of President Kennedy.

Congressional Record Signal

JFK and the End of America is the culmination of Tim Fleming's 50 years of research into the Kennedy assassination. The book makes the case that Lee Harvey Oswald did not kill the president. Rather, an elaborate plot, concocted and executed by a sinister, covert cabal, took Kennedy's life. The plotters who stood to gain the most from JFK's death - Lyndon Johnson and Allen Dulles - were abetted by powerful interests in government, business, and

the military. Kennedy was moving America toward a permanent peace state, threatening the national security/military establishment whose existence is dependent on a permanent war state. Since 1963, we have been at war or under a threat of war, spending nearly six of every ten tax dollars on defense. It is vital to expose the truth of who killed Kennedy and why, if we are to understand the real history of America since 1963. Fleming draws a straight line from Dallas to the political and cultural divide that afflicts us today.

Thirteen Days: A Memoir of the Cuban Missile Crisis

Lightning Source Incorporated

Discover one of the greatest true crime stories in music history, as only James Patterson can tell it. With the Beatles, John Lennon surpasses his youthful dreams, achieving a level of superstardom that defies classification. "We were the best bloody band there was," he says. "There was nobody to touch us." Nobody except the original nowhere man, Mark David Chapman. Chapman once worshipped his idols from afar—but now harbors grudges against those, like Lennon, whom he feels betrayed him. He's convinced Lennon has misled fans with his message of hope and peace. And Chapman's not staying away any longer. By the summer of 1980, Lennon is recording new music for the first time in years, energized and ready for it to be "(Just Like) Starting Over." He can't wait to show the world what he will do. Neither can Chapman, who quits his security job and boards a flight to New York, a handgun and bullets stowed in his luggage. The greatest true-crime story in music history, as only James Patterson can tell it. Enriched by exclusive interviews with Lennon's friends and associates, including Paul McCartney, *The Last Days of John Lennon* is the thrilling true story of two men who changed history: One whose indelible songs enliven our world to this day—and the other who ended the beautiful music with five pulls of a trigger.

Dallas 1963 Simon and Schuster

Just before beginning his first term on January 20, 1993, President-Elect Clinton made a very strange request to close family friend and lawyer Webster Hubbell: "If I put you over there in justice I want you to find the answer to two questions for me: One, who killed JFK. And two, are there UFOs." According to Hubbell, "Clinton was dead serious." The key to unlocking the mystery of President Kennedy's assassination and a possible UFO connection lie in events that occurred 18 years earlier in post-war Germany. In 1945 John F. Kennedy was a guest of Navy Secretary James Forrestal, where he personally witnessed technological secrets that have still not been disclosed to the world. These secrets stemmed from extraterrestrial technologies that Nazi Germany had acquired and were attempting to use in their weapons programs. In searching for answers to who killed President Kennedy we need to start with the death of his mentor, James Forrestal in 1949. Forrestal became the first Secretary of Defense in 1947, a position he held until March, 1949. Forrestal was a visionary who thought Americans had a right to know about the existence of extraterrestrial life and technologies. Forrestal was sacked by President Truman because he was revealing the truth to various officials, including Kennedy who was a Congressman at the time. Forrestal's ideals and vision inspired Kennedy, and laid the seed for what would happen 12 years later. After winning the 1960 Presidential election, Kennedy learned a shocking truth from President Eisenhower. The control group set up to run highly classified extraterrestrial technologies, the Majestic-12 Group, had become a rogue government agency. Eisenhower warned Kennedy that MJ-12 had to be reined in. It posed a direct threat to American liberties and democratic processes. Kennedy followed Eisenhower's advice, and set out to realize James Forrestal's vision. The same forces that orchestrated Forrestal's death, opposed Kennedy's efforts at every turn. When Kennedy was on the verge of succeeding, by forcing the CIA to share classified UFO information with other

government agencies on November 12, 1963, he was assassinated ten days later. *Kennedy's Last Stand* is the story of how an American President tried to realize his friend and mentor's vision of a world where humanity openly knows about extraterrestrial life; and of the government officials responsible for denying that vision.

End of Days Harper Collins

A gorgeously revised edition of this fashion favorite book, which combines Cassini's memoirs of working closely with Jacqueline Kennedy during her brief White House years, his fashion philosophies and ideas, and the iconography of the early 1960s style and energy of the Kennedy years. Jacqueline Kennedy's selection of Oleg Cassini to design her personal wardrobe as First Lady was not only fashion history, but political history as well. As the creator of the "Jackie look," Cassini made the First Lady one of the best-dressed women in the world and a glamorous icon of the Kennedy era. During the 1000 days of the Kennedy administration, Cassini designed over 300 outfits for Jackie Kennedy—coats, dresses, evening gowns, suits, and day wear—and coordinated every aspect of her wardrobe, from shoes and hats to gloves and handbags. In this book, Cassini offers a fascinating and comprehensive view of his role as Jackie's personal couturier, a position that allowed him unprecedented access to both Jackie and John Kennedy as a designer and a trusted friend. From the details of his first meetings with the First Lady to his thoughts on Jackie's clothes and their legacy, Cassini's recollections are far-ranging and informative. Also included are Cassini's original sketches accompanied by 200 color and black-and-white photographs of the First Lady as she tours India, France, England, and Italy, shows off the White House, and hosts state dinners and family gatherings. Public moments as well as private ones capture the great elegance and charm of one of the most admired and emulated women in the world.
