The first new translation in over a century of the brilliant epic novel that inspired *Les Misérables* Sensational, engrossing, and heartbreaking, *The Mysteries of Paris* is doubtless one of the most entertaining and influential works to emerge from the nineteenth century. It was one of France's first serial novels, and for sixteen months, Parisians rushed in droves to the newsstands each week for the latest

installment. Eugène Sue's intricate melodrama unfolds around a Paris where, despite the gulf between them, the fortunes of the rich and poor are inextricably tangled. The suspenseful story of Rodolphe, a magnetic hero of noble heart and shadowy origins, was spun out over 150 issues—garnering wild popularity, influencing political change, and inspiring a raft of successors, including *Les Misérables* and *The Count of Monte Cristo*. At long last, this lively translation makes the riveting drama of Sue's classic available to a new century of readers. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles,

Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

**Le Guide Musical** Courier Corporation "The Maid of Honour" is a historical novel set in the turbulent times of the French Revolution. Extract: "The queen was enchanted with the success of her protégée, who was speedily surrounded by an increasing circle of danglers who minced with toes turned out, shook back their costly ruffles, and lisped the most

honeyed compliments from morn to dewy eve. She enjoyed her new position vastly, was blithe as a young bird, and gazed fearlessly on into a future, which seemed an interminable vista paved with roses. Nor was she the least spoiled by adulation. She liked flattery, as every pretty woman does, but looked forward at no very distant period to the sober, substantial enjoyment of calm domestic happiness. When it pleased her parents to provide a spouse, she was prepared to take him to her heart as a dutiful daughter should, and lavish on him all the treasures of a young and guileless affection."

"Malcolm; or The Fisherman's Lady" tells the story of a poor fisherman Malcolm MacPhail. Young man is raised by his grandfather and discovers that he has noble origins and that he is actually the true son of the Marquise of Lossie. He manages to find employment in the castle and gains the mad laird's trust. Step by step he is entering the new world and introducing the life that was taken from him in the first place. The Marquis' Secret completes the story of Malcolm, a young fisherman set to become new Marquise of Lossie. Malcolm decides to hide his true identity, so he can help his sister who got herself under some very bad influences in London. He reveals the truth about his origins to her and goes on to take his position as a marquis. George MacDonald (1824-1905) was a Scottish author, poet, and Christian minister. He was a

pioneering figure in the field of fantasy literature and the mentor of fellow writer Lewis Carroll. His writings have been cited as a major literary influence by many notable authors including W. H. Auden, C. S. Lewis, J. R. R. Tolkien, Walter de la Mare, E. Nesbit and Madeleine L'Engle. G. K. Chesterton cited *The Princess and the Goblin* as a book that had "made a difference to my whole existence". MacDonald has been credited with founding the "kailyard school" of Scottish writing.

et le Naturalisme, le recueil intitulé *Naturalisme et excès visuels: pantomime, parodie, image, fête. Mélanges en l'honneur de David Baguley* cherche à éclairer l'esthétique naturaliste d'une lumière nouvelle, à travers le concept d'excès. Un excès naturaliste qui devient synonyme, tout à tour ou simultanément, de théâtralisation, de surcodage, de débordement des cadres génériques et/ou littéraires. À l'intérieur comme à l'extérieur du mouvement littéraire naturaliste, il s'agit de mettre en évidence certaines énergies naturalistes à travers quatre grandes pistes ou articulations qui n'ont été que peu abordées ensemble par la recherche: celles de pantomime, de parodie, d'image et de fête. Chacune de ces facettes va, à sa façon, permettre d'affirmer ou de réaffirmer la

prédominance de l'excès, du corporel, du visuel, inscrits au cœur d'une esthétique naturaliste foncièrement moderne.

 The reign of the King who now so happily and so gloriously rules over France will one day exercise the talent of the most skilful historians. But these men of genius, deprived of the advantage of seeing the great monarch whose portrait they fain would draw, will search everywhere among the souvenirs of contemporaries and base their judgments upon our testimony. It is this great consideration which has made me determined to devote some of my hours of leisure to narrating, in these accurate and truthful Memoirs, the events of which I myself am witness. Naturally enough, the position which I fill at the great theatre of the Court has made me the object of much false admiration, and much real satire. Many men who owed to me their elevation or their success have defamed me; many women have belittled my position after vain efforts to secure the King's regard. In what I now write, scant notice will be taken of all such ingratitude. Before my establishment at Court I had met with hypocrisy of this sort in the world; and a man must, indeed, be reckless of expense who daily entertains

at his board a score of insolent detractors. I have too much wit to be blind to the fact that I am not precisely in my proper place. But, all things considered, I flatter myself that posterity will let certain weighty circumstances tell in my favour. An accomplished monarch, to greet whom the Queen of Sheba would have come from the uttermost ends of the earth, has deemed me worthy of his entertainment, and has found amusement in my society. He has told me of the esteem which the French have for Gabrielle d'Estrees, and, like that of Gabrielle, my heart has let itself be captured, not by a great king, but by the most honest man of his realm. To France, Gabrielle gave the Vendome, today our support. The princes, my sons, give promise of virtues as excellent, and will be worthy to aspire to destinies as noble. It is my desire and my duty to give no thought to my private griefs begotten of an ill-assorted marriage. May the King ever be adored by his people; may my children ever be beloved and cherished by the King; I am happy, and I desire to be so. [Letters of the Marquise Du Deffand to the Hon. 'It is time to die, Madame: there shall be no mercy for you..!' It was one of the most shocking crimes of the seventeenth century, and would provide Sade with the inspiration for the last novel he published. The beautiful and virtuous Euphrasie, admired by the King himself, falls in love with the young and handsome Alphonse, Marquis de Gange. Within the forbidding walls of his castle in Provence, however, sinister forces are conspiring against the young couple. Alphonse's brothers, the Abbé and the Chevalier, want Euphrasie for themselves. Published in English for the first time, The Marquise de Gange is a neglected Gothic classic by one of the most notorious authors in the literary canon. Although a departure from his earlier pornographic and libertine works, beneath the novel's thin veneer of respectability lurks the same subversive presence of an author plotting against virtue in distress.
