critics, Franco Vaccari. Exhibitions in real time covers his artistic production, from photography to video to his critical writing and is accompanied by a text written by a series of leading curators and critics. The book, which has been published to accompany a major exhibition at Spazio Oberdan in Milan, documents Vaccari's artistic evolution, from his beginning as a visual poet to the conceptual path undertaken since the late '60s and realised in a series of experimentations based on the use of different media, photography and video. This volume encompasses the whole documentation on Vaccari's Exhibitions in real time: 35 performances produced over 30 years.

"The volume explains, in a rich and detailed way, the transformation of Barbie ... into Caterina de' Medici by means of the wedding dress she wore when she married Enrico di Valois on October 27, 1533. The dress was recently recreated in both life-size and a scale model ... with extraordinary accuracy and couture skill; it was then presented on January 18th, 2008 at Palazzo Medici Riccardi on the occasion

of the event "Pitti Bimbo." The volume comes complete with a large introduction on the symbolism of Barbie, the history of Palazzo Medici Riccardi and the figure of Caterina de' Medici, court life and other curiosities such as beauty treatments used during the Renaissance."--Taken from Publisher's website.

Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka, and now available in a supple new English translation, Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind. The mind in question belongs to Zeno Cosini, a neurotic Italian

businessman who is writing his confessions at the behest of his psychiatrist. Here are Zeno's interminable attempts to quit smoking, his courtship of the beautiful yet unresponsive Ada, his unexpected-and unexpectedly happy-marriage to Ada's homely sister Augusta, and his affair with a shrill-voiced aspiring singer. Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate, Zeno's Conscience is a miracle of psychological realism.

Translating Culture Specific References on Television provides a model for investigating the problems posed by culture specific references in translation, drawing on case studies that explore the

translational norms of contemporary Italian dubbing practices. This monograph makes a distinctive contribution to the study of audiovisual translation and culture specific references in its focus on dubbing as opposed to subtitling, and on contemporary television series, rather than cinema. Irene Ranzato's research involves detailed analysis of three TV series dubbed into Italian, drawing on a corpus of 95 hours that includes nearly 3,000 CSR translations. Ranzato proposes a new taxonomy of strategies for the translation of CSRs and explores the sociocultural, pragmatic and ideological implications of audiovisual translation for the small screen.

this Italian bestseller is now available for the first time in English. "I was born on the first day of school, and I grew up and old in just two hundred days . . ."

She doesn't know Leo exists, but he's convinced that his dream will come true. When Leo lands in the hospital and learns that Beatrice has been admitted too, his mission to be there for her will send him on a thrilling but heartbreaking journey. Nel corso del Seicento la "civiltà di villa" non mostra battute d'arresto, grazie anche al contributo di nuove famiglie mercantili che acquisiscono il titolo nobiliare. Sia nelle antiche ville che in quelle di recente costruzione compaiono nuovi cicli decorativi. Nei primi tre decenni la tradizione tardo cinquecentesca di matrice veronesiana detta ancora legge, ma a partire dalla metà del secolo i germi del rinnovamento artistico in atto a Venezia trovano eco anche nella Terraferma. In villa sono chiamati a intervenire artisti di prim'ordine come Luca Ferrari, Giulio Carpioni, Antonio Zanchi, Pietro Liberi, Girolamo Pellegrini, Federico Cervelli, Louis Dorigny. Si afferma la sensibilità barocca, che gioca metaforicamente tra

vero e falso, tra apparire ed essere: tutto diventa illusione e inganno visivo di forme e materie. È il trionfo della quadratura, che finge una seconda architettura a trasformare e sovvertire quella reale: un genere che, in ambito veneto, viene per la prima volta esplorato a fondo in questa seconda tappa del progetto relativo alla catalogazione completa degli affreschi nelle ville venete dal Cinquecento all'Ottocento, nato dalla collaborazione tra l'Istituto Regionale per le Ville Venete e l'Istituto di Storia dell'Arte della Fondazione Giorgio Cini.

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. A legendary fashion designer for Barbie shares the story of her adventures working behind-the-scenes at Mattel, and spotlights the creations that transformed the world's most famous doll into a style icon in this beautifully designed book—published in commemoration of Barbie's sixtieth anniversary—illustrated with 100 full-color photographs, including many never-before-seen images of rare and

one-of-a-kind pieces from the author's private archive. Dressing Barbie is a dazzling celebration of the clothes that made America's favorite doll, and the incredible woman behind them. For thirty-five years, Carol Spencer enjoyed an unparalleled reign as a Barbie fashion designer, creating some of Barbie's most iconic looks from the early 1960s until the late 1990s. Barbie's wide-ranging wardrobe—including princess gowns and daisy-print rompers, flirty sundresses and smart pantsuits—combined fashion trends and haute couture with a liberal dose of fantasy. In Dressing Barbie, the successful and prolific designer reminisces about her time at Mattel working with legendary figures such as Ruth Handler, Barbie's creator, and Charlotte Johnson, the original Barbie

designer, and talks about her best and most beloved clothing designs from each decade. But Carol's most impressive creation is her own life. As Handler famously said, "Barbie always represented the fact that a girl has choices"—a credo Carol epitomized. In Dressing Barbie, she talks candidly about how she broke free of the constraints of the late 1950s to pursue a dazzling career and an independent life for herself. Over the course of her successful and prolific career, Carol won many accolades. She was the first designer to have her signature on the doll, the first to go on a signing tour, the first to design a limited-edition Barbie Doll for collectors, and the designer of the biggest selling Barbie of all time. Now, Carol is the first member of the

inner circle to take fans behind the pink curtain, revealing the fashion world of Barbie, the quintessential California girl, as never before.

Se un giorno quell'editore non mi avesse letta e scelta, io oggi sarei nessuno. Se poi un altro scrittore di buon Cuore non mi avesse aiutata a correggermi e a consigliarmi, voi, miei cari aspiranti lettori, non avreste in mano questo libro. Ideato, costruito su esperienze dopo esperienze che mi hanno così tanto deluso da farmi passare la voglia di scribacchiare per anni. In questo manuale di istruzioni per aspiranti scrittori ho messo di tutto e di più per potervi aiutare a non demordere in questa bellissima dote della scrittura, ricordandovi sempre che sono le idee

quelle che contano, "e in questo libro ne troverete molteplici" ma oltre questo, purtroppo occorrono anche delle elementari nozioni per poterle realizzare. Non parlo di tecnica, esistono tanti libri specializzati che la insegnano, ma solo di consigli semplici per non cadere nei tranelli che uccidono la nostra vena artistica, il motore delle nostre idee e delle nostre creazioni. Con questo libro vi divertirete e imparerete a come difendervi da questo "bel mondo magico" chiamato scrittura.
